Dr. Steve Herzog
Superintendent

Dr. Alan Vann Gardner
Principal

Principal's Message

Del Mar Middle School serves students in grades 6-8 from Tiburon, Belvedere, and east Corte Madera. Del Mar School provides a common place of gathering for all three communities, reflecting small-town pride, an intense appreciation of, and participation in, our schools and a tradition of generous support of public education. Del Mar received the California Distinguished School Award in 2003 and again in 2009. Del Mar provides a unique educational experience for the early adolescent. We are committed to every child becoming a confident learner and a respectful, responsible citizen by nurturing, teaching, and inspiring each child to thrive in a challenging, dynamic world. We hope to develop in students a great love of learning and confidence in their uniqueness and potential. We involve students in a full range of learning activities to achieve academic excellence, critical thinking skills, and creative, personal and social responsibility to fully prepare them for the needs of the 21st Century.

Parental Involvement

At the heart of the Del Mar community is the commitment that the responsibility for successful education is shared among families, the school, and the individual child. All parties are actively engaged in the product, and this participation is demonstrated in every area of the school. Family-school partnerships and collaborative decision making are evident in District government, school site politics, PTA business, classroom activities, and the personal relationships between teachers and families.

Parents, community members, and local businesses support local schools through a parcel assessment and contributions to the Reed Schools Foundation, which supports Technology, Art, Music, Spanish, PE, and other programs and site enhancements.

Back-To-School Night, Steel Band assemblies, orchestra assemblies, Open House, the annual Talent Show, Book Fair, Read-A-Thon, and the annual Spring Play are events that are bursting with attendance by staff and Del Mar families alike. They are well attended because the school community is happy and healthy. Shared decision-making is alive and well, but could not take place without the mutual respect, trust, and honesty we share.

For more information, contact Dr. Alan Vann Gardner, Principal, at (415) 435-1468.

Professional Development

Teachers and administrators participated in multiple staff development opportunities to support the District goals. On site technology trainings, as well as work on Professional Learning Communities, was held on early release Thursdays throughout the school year. Training continued on the use of Data Director on developing common assessments and the use of data to inform instruction. All staff participated in the countywide staff development in January to continue work on Professional Learning Communities.

Reed staff had a successful year participating in the Columbia University writing project. Teachers were involved in training in a lab-like setting—reviewing, analyzing, and modeling effective teaching practices to support the writing process. The result is that students are writing more and with increased purpose.

The middle school had a successful year collaborating with MTN staff to support the writing process. The year culminated with the entire staff jointly scoring the eighth grade portfolio. Language Arts teachers also participated in scoring tenth grade portfolios with the high school, which turned out to be a valuable staff development opportunity.

Mission Statement

Together we provide our children with extraordinary opportunities to enlighten their minds, inspire their hearts, and strengthen their resolve to positively impact their world.

Professional Development

Continued from page 1

Teachers who are advanced users of technology participated in Technology Leadership staff development in the fall and spring that incorporates Web 2.0 tools and the new ISTE Standards. Participants used the iTouch as a new tool to enhance teaching. As part of this training, the team also developed a technology focus District wiki and NING to incorporate and foster the PLC model. Smartboard training was also offered this year. Last summer a team attended the National Educational Computing Conference (NECC).

In addition to early release on Thursdays, five days a year are dedicated to professional development for teachers.

Class Size

07-08 08-09 09-10

The bar graph displays the three-year data for average class size.

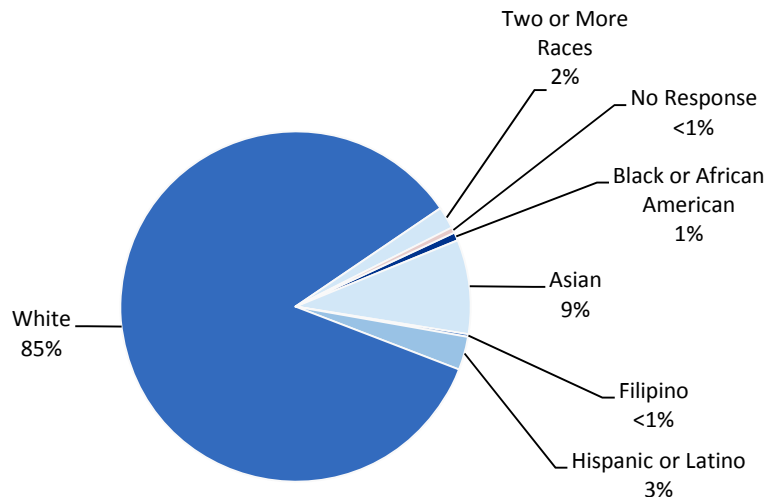

Class Size Distribution — Number of Classrooms By Size

Subject	07-08			08-09			09-10		
	1-22	23-32	33+	1-22	23-32	33+	1-22	23-32	33+
English-Language Arts	8	11		12	2		12	7	
Mathematics	9	11		5	6		14	5	
Science	5	10		4	4		4	12	
History-Social Science	5	10		1	3		9	9	

Enrollment and Demographics

The total enrollment at the school was 391 students for the 2009-10 school year.

Textbooks and Instructional Materials

All textbooks are adopted by the Board of Trustees using the State-approved list. The District follows the schedule for adoption of K-8 materials adopted by the State Board of Education.

A committee of teachers and administrators review materials from the State-adopted list at the Marin County Office of Education. Materials to be piloted by classroom teachers are selected and used in the classroom for evaluation purpose. The committee makes a formal recommendation to the Board on which materials to adopt.

The Reed Union School Board of Trustees ensures that all students have access to their own textbooks and instructional materials to use in class and to take home. All textbooks used in Reed Union School District are from the most recent State-approved list.

All students in music, art, and drama classes have access to the appropriate textbooks and instructional materials. Del Mar Middle School offers the following visual and performing arts classes: Drama, Instrumental Band, Steel Pans, Art, and Choral Music.

Textbooks and Instructional Materials List

Subject	Textbook	Adopted
English-Language Arts	Holt (6-8)	2002
Mathematics	Holt (6-8)	2009
Mathematics	Key Curriculum Press <i>Discovering Algebra</i> (8)	2009
Science	Prentice Hall (6-8)	2008
History-Social Science	TCI (6-8)	2007

Note: This data was most recently collected and verified in October 2010.

School Safety

As a small middle school in the Reed Union K-8 School district, we collaborate with the County Office of Education, local law enforcement agencies, and other outside services to provide a variety of programs that create a safe learning environment. Examples of programs in place include:

- Counseling
- Character development
- Social learning groups
- Student support groups
- Psychologist and psychologist-intern
- Parent education programs coordinated through the PTA
- Specific tobacco and alcohol intervention programs
- Staff development training in supporting at-risk youth
- Handbooks and websites with disciplinary policies

Fire drills are held monthly at Del Mar and regular earthquake and intruder-on-campus drills are practiced as well. The District works closely with the local police and fire department to monitor drills, as well as coordinate communication plans in case of an emergency. The District also periodically practices an all-student emergency release drill. Del Mar is also equipped with a three-day supply of water and food for emergency purpose.

The District uses an electronic alert system so parents can be instantly notified in an emergency through e-mail, cell phone, or land line at work or at home. A Disaster Response Committee, made up of parents and school staff, meets periodically throughout the year to review emergency plans and procedures, as well as to update the School Safety Plan.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in September 2010.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials:

Del Mar MS

Subject	Percent Lacking
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Visual and Performing Arts	0%
Foreign Language	0%
Health	0%

“Del Mar School provides a common place of gathering for all three communities; reflecting small-town pride, an intense appreciation of, and participation in, our schools, and a tradition of generous support of public education.”

Suspensions and Expulsions

This table shows the rate of suspensions and expulsions (the total number of incidents divided by the school's total enrollment) for the most recent three-year period.

Suspension Rate		
Del Mar MS		
07-08	08-09	09-10
0.090	0.092	0.054
Reed UESD		
07-08	08-09	09-10
0.043	0.046	0.030
Expulsion Rate		
Del Mar MS		
07-08	08-09	09-10
0.000	0.000	0.000
Reed UESD		
07-08	08-09	09-10
0.000	0.000	0.000

School Facility Items Inspected

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- **Systems:** Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer
- **Interior:** Interior Surfaces (floors, ceilings, walls, and window casings)
- **Cleanliness:** Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)
- **Electrical:** Electrical Systems (interior and exterior)
- **Restrooms/Fountains:** Restrooms, Sinks/Drinking Fountains (interior and exterior)
- **Safety:** Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)
- **Structural:** Structural Condition, Roofs
- **External:** Windows/Doors/Gates/Fences, Playgrounds/School Grounds

School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition, or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair, or poor condition.

School Facility Good Repair Status			
Items Inspected	Repair Status	Items Inspected	Repair Status
Systems	Good	Restrooms/Fountains	Good
Interior	Good	Safety	Good
Cleanliness	Good	Structural	Good
Electrical	Good	External	Good
Overall Summary of Facility Conditions			Exemplary
Date of the Most Recent School Site Inspection			8/25/2010
Date of the Most Recent Completion of the Inspection Form			8/25/2010

Note: At the time of this school facility inspection, no deficiencies were found.

School Facilities

Del Mar Middle School was built in the 1960s. Since 2004, all 18 classrooms, the library, science classrooms, and school offices were modernized.

A cyber lounge was created and a new gym was built in 2007. The office building and the library building were connected, creating space for a new, expanded teacher workroom. A learning center was added, as well as a technology office and additional office space. New athletic fields were added in 2007-08. In the summer of 2008 the Quad outdoor area was renovated.

The school is in excellent condition and is cleaned daily by a staff of two full-time custodians, who work from 2 P.M. to 10:30 P.M. Staff supervises students at arrival and departure times, lunch, and recess.

The District participates in the State School Deferred Maintenance Program, which provides State-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

We are committed to every child becoming a confident learner and a respectful, responsible citizen by nurturing, teaching, and inspiring each child to thrive in a challenging, dynamic world.

STAR Results for All Students: Three-Year Comparison

The Standardized Testing and Reporting (STAR) results are reported as performance levels in order to compare student achievement to state standards. The five performance levels are: **Advanced** (*exceeds state standards*); **Proficient** (*meets state standards*); **Basic**; **Below Basic**; and **Far Below Basic**. Students scoring at the Proficient or Advanced level meet state standards in that content area. The tables below show the percentage of students that scored at Proficient or Advanced levels in English-language arts, mathematics, science, and history-social science.

Percentage of Students Scoring At Proficient or Advanced Levels									
	Del Mar MS			Reed UESD			California		
	07-08	08-09	09-10	07-08	08-09	09-10	07-08	08-09	09-10

Mathematics	82%	81%	84%	87%	86%	88%	43%	46%	48%
Science	88%	82%	89%	91%	87%	92%	46%	50%	54%
History-Social Science	87%	81%	84%	87%	81%	84%	36%	41%	44%

STAR Results by Student Group: English-Language Arts, Mathematics, Science, and History-Social Science

Percentage of Students Scoring At Proficient or Advanced Levels				
Group	Spring 2010 Results			
	English-Language Arts	Mathematics	Science	History-Social Science
All Students in the District	91%	88%	92%	84%
All Students at the School	93%	84%	89%	84%
Male	93%	85%	94%	89%
Female	94%	83%	84%	77%
Black or African American	❖	❖	❖	❖
American Indian or Alaska Native	❖	❖	❖	❖
Asian	95%	90%	10%	10%
Filipino	❖	❖	❖	❖
Hispanic or Latino	❖	❖	❖	❖
Native Hawaiian or Pacific Islander	❖	❖	❖	❖
White	94%	84%	87%	82%
Two or More Races	❖	❖	❖	❖
Socioeconomically Disadvantaged	54%	38%	❖	❖
English Learners	❖	❖	❖	❖
Students with Disabilities	77%	59%	❖	❖
Students Receiving Migrant Education Services	❖	❖	❖	❖

❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key tests, including the California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). The CSTs are multiple choice tests in English-language arts, mathematics, science, and history-social science for varying grade levels. Some grade levels also participate in an essay writing test.

The CSTs are used to determine students' achievement of the California Academic Content Standards. These standards describe the knowledge and skills that students are expected to learn at each grade level and subject.

The CMA is a modified assessment for students with disabilities who have an individualized education program (IEP). It is designed to assess those students whose disabilities prevent them from achieving grade-level proficiency on an assessment of the content standards with or without accommodations.

The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For a complete report on all tests, participation, groups, and their scores by grade level, please visit <http://star.cde.ca.gov/>. To learn more about the STAR Program, please visit the guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

API Ranks

Schools are ranked in ten categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school's "statewide rank" compares its API to the APIs of all other schools statewide of the same type (elementary, middle, or high school). A "similar schools rank" reflects how a school compares to 100 statistically matched similar schools. This table shows the school's three-year data for statewide API rank and similar schools API rank, for which information is available.

API Growth by Student Group

This table displays, by student group, the actual API change in points added or lost for the past three years.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. The API is a score on a scale of 200 to 1,000 that reflects a school's, district's or a student group's performance level, based on the results of statewide testing. An API score of 800 is set as the statewide target.

Each annual API reporting cycle includes a Base and a Growth API. The Base API starts the reporting cycle and is released approximately a year after testing (i.e., The 2009 Base is calculated from results of statewide testing in spring 2009 but is released in May 2010). The Growth API is released after the Base API but is calculated from test results from the following year (i.e., The Growth API is calculated from results of statewide testing in spring 2010 and released in August 2010). Therefore, for the 2009-10 API reporting cycle, the 2009 Base indicator and 2010 Growth indicator are used. To learn more about API, please visit the API information guide at www.cde.ca.gov/ta/ac/ap/documents/infoguide09.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ay/documents/overview10.pdf.

API Ranks

API Ranks — Three Year Comparison

	2007	2008	2009
Statewide API Rank	10	10	10
Similar Schools API Rank	8	8	7

API Growth by Student Group

Students with Disabilities	■	■	580

■ Data are reported only for numerically significant groups.

API Testing Note: Assessment data are reported only for numerically significant groups. To be considered 'numerically significant' for the API, the group must have either: (1) at least 50 students with valid test scores who make up at least 15% of the total valid scores, or (2) at least 100 students with valid test scores.

Federal Intervention Program

Schools and districts that receive Title I funding can enter Program Improvement (PI) if they fail to meet AYP over two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). With each additional year they don't meet AYP, they advance to the next level of intervention. This table displays the 2010-11 Program Improvement status for the school and district. For more information, please visit www.cde.ca.gov/ta/ac/ay/.

◇ Not applicable.

API Growth by Student Group: 2010 Growth API Comparison

This table displays, by student group, the 2010 Growth API at the school, district, and state level.

California Physical Fitness Test

Each spring, all students in grades 5, 7, and 9 are required to participate in the California Physical Fitness Test (PFT). The State Board of Education designated the *Fitnessgram*® as the PFT for students in California public schools. The test measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

The primary goal of the *Fitnessgram*® is to assist students in establishing lifetime habits of regular physical activity. The table shows the percentage of students meeting the fitness standards for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf/.

Percentage of Students Meeting Fitness Standards	
Grade 7	
Four of Six Standards	5.1%
Five of Six Standards	19.7%
Six of Six Standards	74.4%

Adequate Yearly Progress

The No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

1. Participation rate on statewide assessments in English-language arts and mathematics
2. Percentage of students scoring proficient on statewide assessments in English-language arts and mathematics
3. API scores
4. Graduation rate for high schools

The table displays whether or not the school and district made AYP overall and met each of the AYP criteria for 2009-10. For more information, visit www.cde.ca.gov/ta/ac/ay/.

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Adequate Yearly Progress

Adequate Yearly Progress Criteria				
	Del Mar MS		Reed UESD	
Met Overall AYP	Yes		Yes

Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	Yes	Yes	Yes	Yes
API	Yes		Yes	
Graduation Rate	✧		✧	

✧ Not applicable. The graduation rate for AYP criteria applies to high schools.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (i.e., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Academic Counselors and School Support Staff

Academic Counselors and School Support Staff	
Academic Counselors	FTE and Ratio
Number of Academic Counselors (FTE)	0.0
Ratio of Students Per Academic Counselor	✧
Support Staff	FTE
Counselor (Social/Behavioral or Career Development)	0.3

Teachers	09-10	07-08	08-09	09-10
With Full Credential	73	25	26	22
Without Full Credential	3	0	0	3
Teaching Outside Subject Area of Competence		0	0	1

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note: Total teacher misassignments includes the number of misassignments of teachers of English Learners.

Teacher Misassignments and Vacant Teacher Positions			
	Del Mar MS		
	08-09	09-10	10-11
Teacher Misassignments of English Learners	0	0	3
Total Teacher Misassignments	0	0	5
Vacant Teacher Positions	0	0	0

No Child Left Behind Compliant Teachers

NCLB requires that all teachers of core academic subject areas be "highly qualified." In general, for a teacher to be considered highly qualified, they must have a bachelor's degree, an appropriate California teaching credential, and have demonstrated competence for each core subject he or she teaches. The table displays data regarding NCLB compliant teachers from the 2009-10 school year. For more information on teacher qualifications related to NCLB, please visit www.cde.ca.gov/nclb/sr/tq.

No Child Left Behind Compliant Teachers		
	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
Del Mar MS	100.0%	0.0%
All Schools in District	100.0%	0.0%
High-Poverty Schools in District	✧	✧
Low-Poverty Schools in District	100.0%	0.0%

NCLB Note: High-poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 25% or less in the free and reduced priced meals program.

✧ Not applicable.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. More information can be found by visiting <http://data1.cde.ca.gov/dataquest/>.

"We hope to develop, in students, a great love of learning and confidence in their uniqueness and potential."

Financial Data

The financial data displayed in the SARC is from the 2008-09 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year, and one year behind most other data included in this report. For more detailed financial information, please visit www.cde.ca.gov/ds/fd/cs and www.cde.ca.gov/ds/fd/ec.

Types of Services Funded

Our comprehensive school programs are supported by: the General Fund (State and Federal), local funding from the PTA, and the Foundation for Reed Schools; 85% of funding in RUSD is from local revenues. These programs include:

- Core subject area instruction
- K-8 art, music, and PE programs
- Foreign language in grades 3-8
- Elementary and middle school drama productions
- 1:1 laptop program in grades 3-8, and technology learning centers in grades K-2
- Learning Centers and Academy
- Reading intervention programs
- Elementary and middle school library programs
- Reduced classes in grades K-8
- Comprehensive professional development for all employees
- Supplementary instructional materials for all students

School Accountability Report Card

Data in this report are provided by the California Department of Education (CDE), school and the district office. For additional information on facts about California schools and districts, please visit DataQuest at <http://data1.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English Learners.

All data accurate as of February 2011.
