San Francisco State University's
Romberg Tiburon Center for Environmental Studies

Invites you and your family to our 22st Annual
Discovery Day Open House

Sunday, October 30 from 11:00 am to 4:00 pm
3150 Paradise Drive, Tiburon

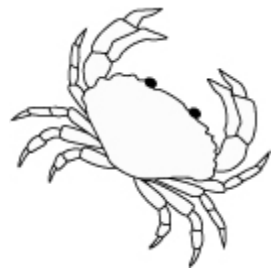

- Meet the scientists, students and staff of our marine and estuarine research laboratory and learn about our research.
- Enjoy science displays and talks, marine touch tanks, a family scavenger hunt, art activities, food and more.
- Admission and parking for bikes and cars are free!
