

A Message From Superintendent Dr. Nancy Lynch

Dear Parents and Guardians,

I hope you had a fabulous Thanksgiving holiday with family and friends! It is a wonderful time of year to catch up and re-connect with loved ones near and far.

We would like to thank all those who "Opted In" to our new notification system, School Messenger. We will begin using the new system tomorrow, and still have many people who have not yet "Opted In". This is very important as this system will be used to contact you in the case of an emergency. If you have not opted in...from the phone on which you wish to receive notifications, text the number 68453 (your carrier will recognize the number) and respond "Yes".

We also want to remind you that the new Orange 1 and 2 and Lime 1 and 2 bus routes will begin running tomorrow afternoon. The revised routes were developed to provide efficiencies and shorten the amount of time it should take for students to arrive home. See [this link](#) for changes and this one for [maps](#).

Thank you!

Nancy Lynch, Ed.D.
