

## A Message From Superintendent Dr. Nancy Lynch

Dear Parents and Guardians,

**Bias and Diversity Parent Education Event  
Wednesday, February 15  
8:30 am - 9:30 am  
Bel Aire Staff Development Center**

**Reed Union School District and Jones Consulting Presents**

**21st Century Students Need 21st Century Skills**

Join nationally renowned education leader, Robert Greene, as we discuss infusing and integrating Cultural Competency skills into the 21st Century home-school partnership. As our students move into an increasingly small, global, and diverse world, we need to ensure that we are sending them forth with the best preparation possible. Creativity, leadership, performance, and innovation are all enhanced with inclusive cultures and inclusive skills. Learn more and learn how.

**All RUSD parents are encouraged to join us for this important conversation.**

Sincerely,  
Nancy Lynch, Ed.D.  
Superintendent
