

## A Message From Superintendent Dr. Nancy Lynch

Dear RUSD Families:

ChoiceLunch service starts on August 22. Order today!

For the third year, RUSD has proudly partnered with ChoiceLunch as our school lunch vendor. For the 2016-2017 School Year, ChoiceLunch service starts on August 22.

Please sign up and order via their website [www.choicelunch.com](http://www.choicelunch.com). They offer easy on-line ordering, as well as an app for your mobile device. A small portion of proceeds from every lunch purchased is donated to RUSD PTA.

ChoiceLunch offers a wide variety of meal choices that meet the Federal and California State Government nutritional guidelines for school lunches. Simply select a main dish, and your child will be offered their choice of drinks and sides, including fresh fruit and vegetables, when they pick up their lunch.

New for this year, in addition to their regular ordering platform, ChoiceLunch is offering a monthly subscription in which your child receives lunches every day of the week. There is also an additional discount for siblings. Please see the [attached flyer for details](#).

For questions, please contact ChoiceLunch directly via their web site, or the ChoiceLunch coordinator at your child's school:
