## Principal's Message

Del Mar Middle School serves students in grades 6-8 from Tiburon, Belvedere and east Corte Madera. Del Mar School provides a common place of gathering for all three communities, reflecting small-town pride, great appreciation for our schools and a tradition of generous support of public education. Del Mar received the California Distinguished School Award in 2003, 2009 and 2013. In 2017, Del Mar received the California Gold Ribbon Award based on our students' digital portfolios and showcased exhibitions of student work. We were recognized as a School to Watch in 2022.

All students receive instruction in English, social science, physical education, mathematics and science. Additionally, students take two elective courses in the following areas: fine arts, performing arts (drama or music), computer science, engineering, speech and debate, leadership, robotics and/or Spanish.
Goals for this year include improving our intervention systems and further developing our standards-based assessment, feedback and grading system, in addition to a focus on equity and inclusion.

## Mission for the Reed Union Student

Each Reed Union School District (RUSD) student will receive the support and opportunity to develop the skills to be a:

Motivated Learner Committed to Academic Excellence

- Demonstrate responsibility, self-direction and independence
- Take risks, are not afraid to make mistakes and learn from them
- Take pride in accomplishments
- Understand learning is a lifelong process

## Creative Problem Solver

- Apply critical thinking
- Integrate curiosity, imagination and insight
- Apply knowledge across disciplines, projects and in real life situations
- Generate ideas and best possible solutions

## Effective Communicator

- Actively listen and acknowledge different points of view and cultural context
- Express and support positions considering multiple perspectives
- Use appropriate tools and language to inform, persuade and convey ideas to diverse audiences
- Collaborate with others

## Engaged Citizen

- Demonstrate empathy, ethical behavior and respect for self, others and the environment
- Actively contribute to school, local and global communities
- Advocate for self and others
- Understand and appreciate cultures, histories and contributions of people of the world

## Balanced Individual/Best Self

- Demonstrate self-knowledge, integrity, good judgment and honor
- Exhibit self-assurance, confidence and social competence
- Persevere and are resilient amidst adversity, stress, disappointment and conflict
- Make positive choices for personal and physical well being
- Believe in the power of the individual to make a difference

## RUSD Statement of Diversity and Inclusion

The Reed Union School District community is committed to creating and sustaining an inclusive, equitable and respectful environment in which each person has a sense of belonging and is provided the support to thrive.

The Reed Union School District community believes that valuing visible and invisible diversity is essential for an inclusive teaching and learning environment that fosters educational excellence for all

## School Accountability Report Card

In accordance with state and federa requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission and Vision Statement

Each student will be challenged and inspired to reach their fullest intellectual, social-emotional and creative potential to positively impact the world.

## Enrollment by Student Group

The total enrollment at the school was 410 students for the 2021-22 school year. The pie chart displays the percentage of students enrolled in each group.

## Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively.

| Expulsion rates | $0.0 \%$ | $0.0 \%$ | $0.0 \%$ | $0.0 \%$ | $3.2 \%$ | $0.1 \%$ |

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

| Suspensions and Expulsions |  |  | 2019-20 School Year |
| :--- | :---: | :---: | :---: |
|  | Del Mar MS | Reed Union ESD | California |
| Suspension rates | $\mathbf{1 9 - 2 0}$ | $\mathbf{1 9 - 2 0}$ | $\mathbf{1 9 - 2 0}$ |
| Expulsion rates | $1.9 \%$ | $0.8 \%$ | $2.5 \%$ |
| 年 | $0.0 \%$ | $0.0 \%$ | $0.0 \%$ |

Note: The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

## Professional Development

Teachers and administrators participate in multiple staff-development opportunities to support the district's strategic goals. On-site trainings, as well as the work of Professional Learning Communities (PLCs), are held on early release Wednesdays throughout the school year. Training continues in targeted areas including but not limited to developing common assessments, the use of data to inform instruction, pilot curriculum, equity and inclusion practices and using technology to enhance instruction and learning, when appropriate.

| $\mathbf{2 0 2 2 - 2 3}$ | 4.5 |

## Parental Involvement

At the heart of the Del Mar Middle School community is the commitment that the responsibility for successful education is shared among families, the school and the individual child. All parties are actively engaged in the process and this participation is demonstrated in every area of the school. Family-school partnerships and collaborative decision-making are evident in school site policies, the Parent Teacher Association (PTA), classroom activities and personal relationships between teachers and families.
Parents, community members and local businesses support local schools through a parcel tax assessment and contributions to the Foundation for Reed Schools, which supports technology, art, music, Spanish, P.E. and other programs and site enhancements. The PTA also supports many school-based activities and programs.
Back-to-school night, steel band and orchestra assemblies, Open House, the annual talent show, Wellness Day, school dances, Read-a-Thon and the annual spring play are events that are bursting with attendance by staff and Del Mar families alike. Collaborative decision-making is alive and well, but could not take place without the mutual respect, trust and honesty we share.
For more information on how to become involved at Del Mar Middle School, please contact PTA site chair Connie Maddox at connieandgregmaddox@gmail.com.

## Types of Services Funded

Our comprehensive school programs are supported by the General Fund (state and federal), local funding from a parcel tax, the Foundation for Reed Schools and the Parent Teacher Association (PTA). Approximately 90\% of funding in RUSD is from local revenues. Programs supported by these funds include:

- Core subject-area instruction
- PK-8 art, music and P.E. programs
- Foreign language in grades 3-8
- Elementary and middle school drama productions
- 1:1 iPad programs in grades PK-8
- Learning Centers and Academy
- Reading and math intervention programs
- Elementary and middle school library programs
- Comprehensive professional development for all employees in equity and inclusion, and content area support of teachers and instructional aides
- Supplementary instructional materials for all students

## California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard. org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021-22 PFT administration, only participation results are required for the five fitness areas.
Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

## SARC Reporting in the 2020-21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

## Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).
The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.
The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.
Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Textbooks and Instructional Materials

The Board of Trustees adopts all textbooks by using the state-approved list and requirements.
A committee of teachers and administrators review materials from the state-adopted list at the Marin County Office of Education. Materials to be piloted by classroom teachers are selected and used in the classroom for evaluation purposes. A formal recommendation is made to the Board on which materials to adopt.

The Reed Union School District Board of Trustees ensures all students have access to their own textbooks and instructional materials to use in class, and at home when appropriate.
All students in music and art classes have access to appropriate instructional materials. Del Mar Middle School offers the following visual and performing arts classes: drama, instrumental band, steel pans and art. All content areas in K-8 also integrate online electronic resources into the instructional program from a variety of publishers.

| Textbooks and Instructional Materials List | 2022-23 School Year |  |

## Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

## Currency of Textbooks

## Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

| Quality of Textbooks |  |
| :--- | :--- |
| 2022-23 School Year |  |
| Criteria | Yes/No |
| Are the textbooks adopted <br> from the most recent state- <br> approved or local governing- <br> board-approved list? | Yes |

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

## School Facilities

Del Mar Middle School was built in the 1960s. Since 2004, all classrooms, the library and school offices have been modernized.
A cyber lounge classroom and new gym were built in 2007. The office building and library building were connected, creating space for an expanded teacher workroom. A learning center and technology office were also added. New athletic fields were created in 2007-08. In the summer of 2008, the quad outdoor area was renovated. A portable classroom was added to the campus in the summer of 2014, as well as two additional portable classrooms in 2017.

Staff members supervise students during arrival and departure times and monitor students when embarking and disembarking school buses. Students are supervised by staff during lunch and recess as well.
The school is in excellent condition and is cleaned daily by a staff of three full-time custodians.

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

| School Facility Good Repair StatuS | 2022-23 School Year |
| :--- | :---: |
| Items Inspected | Repair Status |
| Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC) | Good |
| Interior: Interior surfaces (floors, ceilings, walls and window casings) | Good |
| Cleanliness: Pest/vermin control, overall cleanliness | Good |
| Electrical: Electrical systems | Good |
| Restrooms/fountains: Restrooms, sinks and drinking fountains | Good |
| Safety: Fire safety, emergency systems, hazardous materials | Good |
| Structural: Structural condition, roofs | Good |
| External: Windows/doors/gates/fences, playgrounds/school grounds | Good |
| Overall summary of facility conditions | Exemplary |
| Date of the most recent school site inspection | 8/24/2022 |

## School Safety

As a small middle school in the K-8 Reed Union School District, we collaborate with the Marin County Office of Education, local law-enforcement agencies and other outside services to provide a variety of programs that create a safe learning environment. Examples of programs in place include the following:

- Character development
- Social learning groups
- Student support groups
- Psychologist
- Parent education programs coordinated through the PTA
- Specific tobacco and alcohol-intervention programs
- Staff-development training in supporting at-risk youth
- Staff-development training in Teaching Tolerance and equity and inclusion
- Handbooks and websites with disciplinary policies

In accordance with the California Education Code, Section 32001, Del Mar Middle School conducts monthly fire drills, quarterly earthquake drills and lockdown drills once each trimester. The district works closely with the local police and fire departments to monitor drills, as well as coordinate communication plans in case of an emergency. Del Mar is also equipped with a three-day supply of water and food for emergency purposes. The school safety plan was last reviewed, updated and discussed with the school faculty in September 2022.
The district uses an electronic alert system so parents can be instantly notified in an emergency through email, cellphone or landline at work or at home. A Disaster Response Committee, made up of parents, first responders and school staff, meets periodically throughout the year to review emergency plans and procedures, as well as to update the school safety plan.

"Goals for this year include improving our intervention systems and further developing our standards-based assessment, feedback and grading system, in addition to a focus on equity and inclusion."

## Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. This table displays the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district, and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at https://www.ctc.ca.gov/.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Financial Data

The financial data displayed in this SARC is from the 2020-21 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education \& Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries \& Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

## Del Mar Middle School

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at http://dq.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1
All data accurate as of January 2023.

[^0]:    * Data for 2020-21 are not comparable to other year data due to the COVID-19 pandemic during the $2020-21$ school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.
