From The Principal

Dear Del Mar Families,

This week marks our final week of distance learning for academic classwork. Please note that June 9th is the last day that assignments will be accepted (by 8 pm). School will continue next week, but will shift to a focus on fun activities, including the Talent Show, the Spring Concert, and various grade-level and department activities. [HERE](#) is a tentative schedule of events that will be happening throughout the week. Check it out! Live links will be sent each morning.

With Gratitude,
Principal Brian Lynch

SUMMER IPAD USE

8th Graders MUST return iPads (and books) to graduate (please see Graduation information below).

6th and 7th Graders who are NOT returning to Del Mar MUST return iPads and all books by next Friday, June 12th.

If 6th/7th grade families would like to keep your child's RUSD issued iPad for the summer and you haven't had a chance to sign the RUSD iPad agreement, please follow the instructions included here:

[Instructions for signing & submitting Summer iPad Agreement](#)

For those who did not sign the agreement and do not wish to keep iPads over the summer: Please plan to drop your iPad at school as soon as your student is finished using it. We will be at school most days next week, but please email delmar@reedschools.org first to be sure someone is there to collect the iPad.

**From Ms. Cerni:** Calling all readers!

1) Please return your DM Library books ASAP! Students who've borrowed books should check their email for library notices. Books can be returned to the drop slot by the Library door at any time. If needed, students can check their Alexandria accounts to learn more. There are no overdue fines; the only fee is for lost books.

2) Students can find eBooks and audiobooks on the SORA app and through the public library. More info will be rolled out next week on the Summer Resources page. Contact [DMLibrary@reedschools.org](mailto:DMLibrary@reedschools.org) with any questions.
