Supplies/iPads

We had a very successful distribution of supplies and iPads yesterday for our 6th graders and new 7th and 8th graders. Thank you to our volunteers for helping the day go smoothly!

7th and 8th Grade supply pickup:

We are asking 7th and 8th grade families to come to campus on **Wednesday, August 26th from 1:30-6:30PM** to pick up supplies.

Please park and walk to the flagpole in the Del Mar circle. Remember to keep distanced from other people and wear a mask at all times. You will be picking up a few textbooks, a stylus pen, headphones, general supplies like notebooks and other items you may take if you do not have them already, like colored pencils, pens, paper, rulers, etc. To avoid bunching up, please try to arrive at the following times, based on

??Questions??

Tech Questions:

Normally we go through all tech issues in person with the students the first few days of school, but this year we need to set all students up virtually, and it is challenging! Our IT department is going to send out a separate email this afternoon that should answer any tech questions you have. It will cover instructions to get onto Zoom, instructions to get onto Alma and a link to a recorded tech Webinar that was offered last night. The Webinar was geared toward K-5 but has valuable information for all grades.

Elective Questions:

Do you have a question about electives?

Because of our new cohort structure at Del Mar, the elective offerings had to change and became a lot more limited.

Last year, students were asked to pick four elective choices and every student should have received one of those.

Please remember that Spanish is considered an elective. Also, please note for students who wanted leadership and did not get it, that there will be a leadership club this year which your child can join.

First Day of School Zoom

Meetings

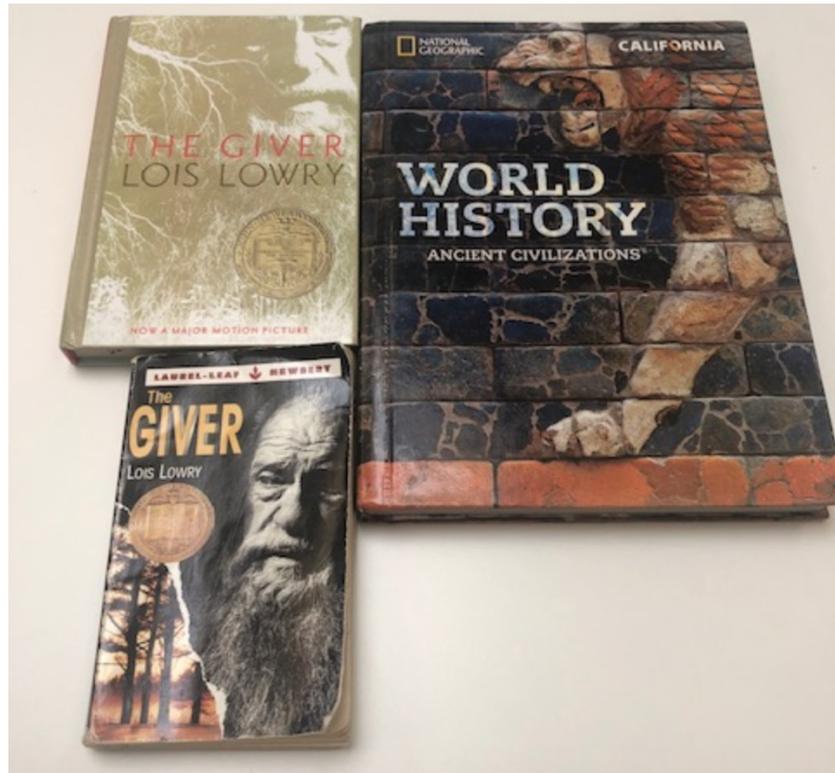

By Sunday evening our Assistant Principal, Mrs. Skaggs, will be sending you an email with all of your student's cohort's Zoom links. These links are also available on Alma, but we realize not everyone knows how to use Alma yet.
