## Phase 2 Reopening Expected to Begin October 5th

Last night the School Board approved Phase 2 (Hybrid Distance/Live) Learning, to begin the week of October 5th. **During Phase 2, students will ALL continue to work remotely on Mondays, and will come to school either Tuesday and Wednesday mornings (the "A" cohort), OR Thursday and Friday mornings (the "B" cohort).**

**Students will be in class online through Zoom on the afternoons of the days they are not at school in person.**

Phase 2 is a transition period where students will be coming in small groups, following strict health protocols, in anticipation of Phase 3 when they will come back in larger groups. Phase 2 is expected to last 5 weeks at a minimum.

You will get a detailed, individualized email from our Assistant Principal, Ms. Skaggs, on MONDAY, September 28th. This email will have the following information:

1. Your student's Cohort and A or B designation. (Please note: your child should know their cohort number at this point-it is in Alma in their Advisory name. Example: "7.3" is a Cohort).
2. Detailed schedule with the two mornings your child will attend school on campus.
3. A map with your child's entry point to campus (Please note, a bike rack will be available at their specific entry point.)
4. Your student's room number for after they check in at the entry point
5. Information about biking to school and bike rack locations
6. The district wide tardy policy

Please note that we are unable to accommodate requests for specific days of attendance during Phase 2 nor are we able to

accommodate requests for students to be paired up with any other students.

September 23, 2020

To the Del Mar Middle School Community,

The Del Mar Parent & Teacher Association has one mission: To enrich the lives of our children and school community.

During the most difficult times, when families are facing a medical or other personal crisis, the PTA can be called upon to lend support in the form of meal preparation, carpools, child care or companionship.

As parents & teachers ourselves, we understand the challenges that come with raising middle schoolers. Please consider reaching out if there is anything we can do to help your family during difficult personal circumstances that may arise for your family this year.

Warmly,

Winnie Anderluh  
Del Mar PTA President & Site Chair, 2020-2022
