

Del Mar 7th Grade

Create, Challenge, Collaborate

Create, Challenge, Collaborate

As students enter their second year at Del Mar, two effective ways to stay up to date on their assignments are to check their planners and to check teacher websites. You should be able to access quiz and test dates, project due dates, and dates for formative assessments that measure student growth. Additionally, most teachers use Google Classroom. Your student will turn in assignments here and get returned feedback. Have them show you their work!

1

RESOURCES

Take advantage of Ms. Cerni, Dr. Gold, Mr. Sawyer and Dr. Kover about all things middle school!

2

WEBSITES

All teacher Weebly websites use the password dm1234.

3

GROWTH MINDSET

Embrace the challenge of new courses and new content. Be ready to create, challenge, and collaborate.

Grades

Use your ALMA log in for our online grading program. We recommend checking grades once a week.

Communication

In 7th Grade, students are learning how to advocate for themselves by contacting teachers about assignments.

Homework

Students should check each teacher's Weebly site daily to stay on top of homework.
