Dear Parents and Guardians:

Thanks to all staff and students who are following public health guidelines and demonstrating such flexibility!

3 Main Public Health Guidelines are Changing as of September 7th:

1. Large gatherings over 100 or more are to be conducted outside.
2. For contact tracing purposes, sites must have a way to track who is sitting within 6 feet of one another during lunch.
3. Staff that move class to class are not required to follow physical distancing protocols.

Please view the Public Health presentation slides to [Learn More](#).

Thanks for all you're doing! We are even stronger together.
