## **ARTICLE V**

### **GRIEVANCE PROCEDURE**

#### **Section I: Definitions**

- A.** "Grievance" is an allegation by a grievant that there has been a violation, misinterpretation, or misapplication of this Agreement that directly affects the grievant as defined in "B."
- B.** "Grievant" is the named Unit Member(s), including the Association or representative thereof, making the allegation.
- C.** "Immediate Supervisor" is the principal or program administrator or other management person having immediate responsibility and/or jurisdiction over the Unit Member.

#### **Section II: Purpose**

- A.** The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to Grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

- B.** Since it is important that a Grievance be processed as rapidly as possible, the time limits specified at each level should be considered to be maximum, and every effort should be made to expedite the process. The time limits may, however, be extended or compressed by mutual agreement.

### **Section III: Procedure**

A Grievance or Grievances shall be presented and adjusted in accordance with the following procedures:

#### **A. Level I**

##### **1. Informal**

Within fifteen (15) Days after the occurrence of the act or omission giving rise to the Grievance, the Grievant shall first discuss the matter with the administrator involved. The Grievant then may go to his/her Immediate Supervisor either (1) individually or (2) if the Grievant so requests, accompanied by a representative of the Association with the objective of resolving the matter informally. If the problem is solved, the case is closed.

##### **2. Formal**

If the problem is still unresolved after the informal conference, the Grievant shall, within five (5) Days after the conference, present a statement of Grievance in writing to his/her Immediate Supervisor.

- a.** The Grievance Form (Appendix Section 1) shall be utilized.
- b.** After the Grievance has been filed, it may be discussed with the Immediate Supervisor through an Association representative.
- c.** The Immediate Supervisor shall communicate his/her decision to the Grievant and his/her representative, if any, and to the Association in writing within ten (10) Days after receiving the written complaint. (Appendix Section 1).
- d.** Either party to the Grievance shall have the right to request a conference in order to resolve the Grievance.

#### **B. Level II – Superintendent**

- 1.** Within five (5) Days after receiving the decision of the Immediate Supervisor, the Grievant may appeal to the Superintendent. The appeal shall be accompanied by a copy of the decision reached at Level I and the Immediate Supervisor shall be notified of the appeal.
- 2.** Within fifteen (15) Days after delivery of the appeal, the Superintendent or designee shall communicate a decision in writing, together with supporting reasons, to the Grievant, his/her representative, if any, the Immediate Supervisor, and the Association. During the first five (5) Days of the fifteen (15) Days, the Grievant may request a meeting to discuss the Grievance with the Superintendent. The Superintendent shall meet with the Grievant and the Grievant may have the Association representative present.

**C. Level III – Binding Arbitration**

Within five (5) Days after the Superintendent's action, if the Grievant is not satisfied, the Grievant may appeal to the Association to request binding arbitration. If the Association proceeds to arbitration, it shall notify the District in writing within ten (10) Days. Within ten (10) Days of such notification, representatives of the District and the Association shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator within the specified period, the Association shall file a Demand to Arbitrate with the California State Mediation and Conciliation Service or with the American Arbitration Association. The selection of the arbitrator and the arbitration proceedings shall be conducted under the Voluntary Labor Arbitration Rules of the American Arbitration Association.

The arbitrator's decision will be in writing and will set forth the findings of fact, reasoning, and conclusion of the issues submitted.

The arbitrator shall be subject to the following limitations:

1. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
2. The arbitrator shall have no power to establish salary structures or change any salary. This limitation does not apply to a recommendation to change placement on the salary schedule.
3. The arbitrator shall have no power to recommend or evaluate issues involving the content of evaluation except as provided in Article XVII, Section I, C., 3., d.
4. The arbitrator shall be limited in his/her recommendations to recommend only return to status prior to the violation, misapplication or misinterpretation.
5. The arbitrator shall have no power to establish or recommend financial awards.
6. If any question arises as to the arbitrability of the Grievance, such a question shall be ruled upon by the arbitrator only after having had the opportunity to hear the merits of the Grievance.
7. Expenses incurred by the arbitrator shall be shared equally by the District and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other. The Grievant and the Association representative shall have release time to process the Grievance.
8. The fact that the Grievance has been considered by the parties in the preceding steps of the Grievance shall not constitute a waiver of jurisdiction limitations upon the arbitrator in this Agreement.
9. No probationary Unit Member may use the Grievance procedure in any way to appeal discharge or a decision by the District not to renew his/her contract.

#### **Section IV: Miscellaneous Provisions**

- A. Time limits in these procedures may be modified by mutual agreement in writing.
- B. There shall be no reprisals of any kind taken against any Unit Member because of participation in the Grievance procedure. A separate file shall be maintained for Grievance materials and the materials shall not be placed in the personnel file.
- C. Failure at any step of this procedure to render a decision on a Grievance within the specified time limits shall indicate acceptance of the Grievance, except when the Immediate Supervisor or administrator is on personal or school business leave, or ill. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision.
- D. Conferences held under the procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. In all steps of the Grievance procedure, when it becomes necessary for individuals to be involved during school hours, release time shall be provided for that purpose.
- E. The Unit Member may have representation by another Unit Member or by a member of the Association Executive Board at all steps in the procedure.
- F. In an emergency, the Unit Member may appeal directly to the Superintendent who may agree to waive Level I after consultation with the Immediate Supervisor.
- G. In the event a Grievance is filed on or after June 1, the time limits set forth herein may be reduced by mutual agreement so that the Grievance procedure may be concluded prior to the end of the school term, or as soon thereafter as possible.
- H. Written notices to be filed under this procedure may be hand-delivered to the appropriate person or left with a person in charge of the office of the appropriate person, or mailed by certified mail, return receipt requested. If hand-delivered, the date shall be counted as the date of mailing. If mailed, the weekday following the date of mailing shall be counted as the date of giving notice.
- I. A file of decisions of all formal Grievances shall be kept by the office of the Superintendent and the Association in order that established precedents can be used in future Grievances.
- J. Any Unit Member may at any time present Grievances to his employer and have such Grievances adjusted, without the intervention of the exclusive representative, as long as the adjustment is reached prior to arbitration pursuant to Government Code Section 3548.5, 3548.6, 3548.7, and 3548.8, and the adjustment is not inconsistent with the terms of a written agreement then in effect; provided that the public school employer shall not agree to a resolution of the Grievance until the exclusive representative has received a copy of the Grievance and the proposed resolution, and has been given up to twenty (2) Days to file a response.

#### **ARTICLE VI** **PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS**

The District will process and honor the terms of dues deduction agreements for all bargaining unit members who the union reports as having written authorizations. Pursuant to such authorization, the District shall deduct one-tenth of such dues from the regular salary check of the bargaining unit member each month for ten months, September through June. Deductions for bargaining unit members who sign such authorization after the commencement of the school year shall be appropriately pro-rated to complete full payments by the end of the school year.
- B. Bargaining unit member requests for revocation of dues deduction authorizations must be directed to the union. The District will rely on RDTA's written decision as to whether a revocation request is effective, and the effective date of that revocation.
- C. RDTA will indemnify the District against any claims made by an employee regarding payroll deductions made based on information provided by RDTA to the District
- D. With respect to all sums deducted by the District pursuant to Section A, the District agrees promptly to remit such monies to the Association accompanied by an alphabetical list of Unit Members for whom such deductions have been made, indicating any changes in personnel from the list previously furnished.
- E. There shall be no charge to the Association for the services provided by the District in Sections A, B and D of this Article.
- F. Upon request, the Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

The placement of these additional days on the calendar shall be in collaboration with the unit member’s supervisor.

#### **N. Calendar**

1. The negotiations team shall develop the calendar. This team shall commence meeting no later than March 1 of each year. The negotiations team will set the calendar for the second school year in the future (17 months prior to implementation)

If the agreement on the calendar cannot be reached by June 1, the District shall establish a tentative calendar which may be modified through negotiations.

2. The District shall use the calendar as attached in Appendix Section 6, as amended each year.

#### **O. Part-Time and Shared Contract Employment**

##### **1. Part-Time Employment**

- a. A shared contract is one in which a 1.0 Full Time Unit Member (FTE) assignment is shared by 2 Unit Members.
- b. A part-time Unit Member is defined as a Unit Member working less than 1.0 FTE who is employed as and has employment rights to a part-time position, or is a Unit Member to whom the District has granted a part-time leave, and the percentage of full-time employment is specified in the employment contract.

##### **2. Eligibility for Shared Contracts**

- a. Shared teaching assignments shall be available to permanent Unit Members who have mutually agreed to work together or when the District is able to hire a temporary Unit Member who meets District determined qualifications, to share the assignment.
- b. Unit Members who are applying to begin or to continue a shared teaching assignment must complete the evaluation process and all participants must receive a satisfactory evaluation before approval can be obtained.

### **3. Application Procedure and Timeline**

- a. Permanent Unit Members seeking part-time or a shared contract must submit a written request to the Superintendent by January 15 prior to the year the shared contract assignment is requested.
- b. The District will review the requests and determine which may be approved. By January 31, based on the approved requests, the District will publish in house a list of positions and will advertise outside for temporary Unit Members for shared contract employment. Permanent Unit Members must submit their applications for sharing a contract based on the published list, no later than February 10.
- c. By March 1, the District will notify all Unit Members requesting shared contracts whether the requests are approved or denied. The District reserves the right to approve or deny all such requests.
- d. Participation is limited to one (1) pair per eight (8) Unit Members, assigned to a given site. Part-time Unit Members shall not be counted in this limitation.

### **4. Approval of Shared Contracts**

Shared contracts shall be approved by the Board upon the recommendation of the Superintendent that said contracts are in the best interest of the District's educational program.

- a. Unit Members sharing a contract must accept the responsibility of assuring the staff, administration, and parents of successful joint planning communication among Unit Members and parents, and compatible classroom management.
- b. Shared contracts will reflect all pertinent information concerning the assignment, e.g., dates indicating duration of the assignment, description of subject/grade level, location, salary and benefits. The shared contract will include a statement: "If you wish to renew this shared position for the next school year, your written request must be filed in the Superintendent's office on or before January 1 of the school year to which this contract applies."
- c. Unit Members who share a contract must submit to the principal a plan for the shared position which includes appropriate overlap for a smooth transition, and which shall not be at a cost to the District.

### **5. Return to Full-Time Position**

- a. Full-Time Unit Members who are on part-time leave status or share a contract may

reinstate their full-time status the following year.

- b. Unit Members intending to return to full-time status in the following year must notify the District of their intent to do so by February 1 of the year that they wish to return to full-time status.
- c. Unit Members returning to full-time status will be entitled to the same rights as any other certificated Unit Member, namely to indicate their preference at the time classroom assignment forms are circulated.
- d. Unit Members whose initial contract was for less than full-time as a condition of employment may apply for full-time employment. The District is under no obligation to honor the request.
- e. The District will grant requests for return to full-time status to fill any positions for which the job sharer is qualified before hiring from outside the District.

## **6. Compensation**

- a. Unit Members working part-time shall receive a proportionate amount of the regular annual salary paid in equal monthly installments agreed upon by the Unit Member and the District and shall earn credit for sick leave and other statutory benefits in proportion to paid District service.
  - 1) At Reed and Bel Aire, the part-time salary shall be computed by taking the instructional minutes taught by the part-time Unit Member divided by the instructional minutes taught by a full-time Unit Member at the assigned school to reach the percentage of FTE. Based on that percentage, part-time Unit Members are required to be on campus for that percentage of the work day, week or year, whichever applies. Preparation time and non-teaching duties will be pro-rated based upon the percentage of FTE.
  - 2) For Del Mar Unit Members, each period taught equals 0.2 FTE. Part-time Unit Members have an advisory, proportionate amount of preparation time and are required to be on-site during those times.
- b. Unit Members hired after December 10, 1992, in a part-time position of 0.5 FTE or more shall be eligible for a percentage of the District paid benefits based on the percentage the Unit Member works. The Unit Member will be eligible for full step advancement at salary proportionate to the part-time position.
- c. Permanent Unit Members sharing a full-time position shall share proportionately in salary and benefits of that position based on their percentage of FTE.
- d. Unit Members working part-time/shared contracts will earn a prorated credit towards retirement credit.
- e. When the District requires a part-time or shared contract Unit Member to attend training, in-service, or parent-teacher conferences on that Unit Member's non-work day, the District will compensate at the Unit Member's per diem rate.

## **7. Time Requirement**

- a. The time requirement for a part-time position shall be proportionately based on a thirty-five (35) hour on-site work week.
- b. Unit Members in part-time and shared positions will be required to attend Kindergarten Orientation or Sixth Grade Orientation, if appropriate, Back to School Night and Open House. Faculty meetings shall be attended unless prior arrangements have been made with the principal. Other duties and activities shall equitably be pro-rated according to the respective amounts of work time for the year.
- c. In the event that one shared contract partner cannot fulfill his/her teaching obligation, the other participant shall assume full-time responsibility for the assignment, if possible.
- d. If and when a substitute is required, the other shared contract participant will assume responsibility for the class, if possible, and at the District hourly rate set forth in the Contract, Article XVII, Section IV.B. for working with students.

## **8. Permanent Status**

A part-time Unit member who completes the required probationary period (works 75% of each of two consecutive Unit Member work years) may earn permanent status for that same FTE percentage of employment.

## **9. Changes Subsequent to the Issuance of Letters of Confirmation or Contracts**

If, after the District approves a full-time Unit Member's request for a shared contract position, the District finds it necessary to alter the agreed-upon conditions of such employment, the Unit Member may request a return to a full-time position. The District shall attempt, but shall not be obligated, to honor the request for that school year, and the Unit Member shall be entitled to a full-time position starting in the following school year.

## **ARTICLE VIII** **LEAVES**

The District will continue to provide those leaves of absences mandated by State law, supplemented by those leaves described in this Article. (See Certificated Leaves Table Appendix Section 3).

### **A. General Provisions**

1. Unit Members on unpaid leave, except family medical leave, may elect to continue to participate in group benefits and insurance programs at their own expense. Unit Members on paid leave or family medical leave shall continue to receive health benefits paid by the District to the same extent that they received health benefits paid by the District prior to beginning their leave.
2. Upon return from a leave (except for Sabbatical Leave described in this Article), the Unit Member will be placed on the salary schedule as he/she would have been in the year the leave began.

3. Any long-term leave must be approved by the Board.

## **SHORT-TERM LEAVES**

### **A. Notification of Absence**

Whenever possible, Unit Members shall give notice of their impending absence to their principal by informing the school secretary or supervisor during the workday preceding the absence. If notification has not been given the previous day, the Unit Member should contact the school secretary before 7:00 a.m. on the day of absence. (See Absence Report Form Appendix Section 4).

1. Except in cases of emergency, as determined by the Superintendent, if a Unit Member is absent and fails to give notice, the Unit Member's daily rate of pay will be deducted. The daily rate of pay will be deducted unless the District absence form is signed by the Unit Member.
2. All Unit Members should indicate their intention to return to duty the following day by notifying the principal, or immediate supervisor, at least thirty (30) minutes prior to the end of their particular workday. If a Unit Member fails to give notice within a specified time limit of his or her intentions to return after illness or accident, and the substitute appears for the day's work as a result of failure to receive such notice, the substitute shall receive a full day's substitute pay and this amount shall be deducted from the Unit Member's salary for that month.

### **B. Sick Leave**

Every full-time Unit Member shall be entitled to ten (10) days of paid sick leave which shall be cumulative from year to year (without limit), pursuant to Section 44978, et seq., of the Education Code. Unit Members employed less than full-time shall accrue sick leave, proportionately, as provided in the same statute.

1. Should a Unit Member resign, retire, or otherwise leave employment of the District, his/her total accumulated sick leave may be used in any one of the following ways:
  - a. It may be transferred to another public employer in the State of California as provided for under provisions of the law.
  - b. For those Unit Members with no breaks in their service, it may be credited to the Unit Member's STRS account as provided in state law.
2. The District may require a physician's verification of illness if a Unit Member has been on sick leave for four (4) consecutive days. The District may require a physician's verification of a Unit Member's fitness to return to work if the Unit Member has been on sick leave for ten (10) consecutive days or more.
3. The District shall provide each Unit Member with a written statement of his/her accrued sick leave total and sick leave entitlement for the school year. Such statements shall be provided no later than November 1 of each school year.

## **C. Personal Leave**

### **1. Personal Necessity Leave**

A Unit Member may use, at his/her election during any school year, not more than nine (9) days of accumulated sick leave in the case of personal necessity.

“Personal Necessity” is defined as matters that are of compelling personal importance and the scheduling of which is beyond the control of the Unit Member. Other cases of personal necessity shall include religious observances and funeral attendance.

- a. The Unit Member shall not be required to secure advance permission for leave taken for the following reasons:
  - 1) Death or illness of a member of his/her immediate family (See also Bereavement Leave and Family Medical Leave below.)
  - 2) Accident or negative personal circumstance involving his/her person or property or the person or property of a member of his/her immediate family.
  - 3) “Immediate family members” shall be defined as mother, father, grandmother, grandfather, or a grandchild of the Unit Member or of the spouse or domestic partner of the Unit Member, and the spouse or domestic partner, son, son-in-law, daughter, daughter-in-law, brother or sister of the Unit Member, or any relative living in the immediate household of the Unit Member.
- b. The Unit Member must secure advanced permission for personal necessity leave taken for other reasons.
- c. The Superintendent has discretion and may require proof of any personal necessity.
- d. Unit Members may use partial days for personal necessity leave.

### **2. Personal Discretionary Leave**

In any given year, up to nine (9) paid sick leave days available for personal necessity **may** also be used for personal discretionary leave as follows:

- a. With prior notice and, if the position so requires, conditional upon the availability of a substitute, a Unit Member may take up to two (2) days consecutively and/or in conjunction with a holiday, vacation or school break. If more Unit Members request personal days than there are substitutes available, requests shall be filled on a first come/first served basis.
- b. Notification of personal leave shall be given to the Unit Member’s supervisor at the earliest possible time to facilitate school planning.
- c. Unit Members may use any remaining personal discretionary days at their discretion, but these days may not be taken consecutively, or in conjunction with a holiday,

vacation or school break, and may not be combined with any personal discretionary days taken pursuant to paragraph 2a above.

- d. Unit Members may not use a personal discretionary day on a staff development day that is scheduled immediately preceding or following a holiday, student vacation or school break.
- e. Only full days may be used for personal discretionary leave.
- f. On the Absence Report Form, the Unit Member shall be able to write "Personal" as the reason for absence. All other provisions of sections a, b, c, d, and e (above) shall remain in force. These "personal" days shall not be cumulative from year to year, but any unused personal days shall accumulate as part of a Unit Member's sick leave account.

**D. Bereavement Leave**

A Unit Member is entitled to leave of absence, with full pay, not to exceed three (3) days, or five (5) days if travel out of state or in excess of 500 miles is required, on account of the death of any member of his/her immediate family. (See definition of "immediate family members" in section D, 1, a, (3) above.)

**E. Personal Business**

At the discretion of the Superintendent, a Unit Member may be granted limited leave, not to exceed five (5) days, for personal business. Applications for this leave shall be submitted, in writing, to the Superintendent's office, sufficiently in advance of the intended leave, for action to be taken on the request prior to the date of the intended leave. A Unit Member will receive his/her full salary and reimburse the District for the full cost (salary plus driven costs) of the substitute.

**F. Special Leave**

A Unit Member may be granted a special leave of absence, not to exceed ten (10) days, which, if granted, would be of benefit to the District. The Unit Member shall submit to the Superintendent a written request for the leave stating the number of days requested, the dates of the request, and the reason for the request. The leave may be approved by the Superintendent whereby the Unit Member shall receive his/her full salary and reimburse the District for the full cost (salary plus driven costs) of the substitute. The leave may also be approved whereby the Unit Member's regular daily rate of pay is deducted for the days absent.

**G. Jury Duty/Subpoenaed Witness Leave**

1. **Jury Duty:** A leave with pay shall be granted to Unit Members called for jury duty in the manner provided for by law. A Unit Member who receives a jury summons shall submit a copy of the summons to his/her supervisor. At the conclusion of the jury duty, the Unit Member shall submit a statement from the Jury Commissioner's office specifying the dates and times served by the Unit Member. This shall be attached to the Unit Member Absence Report. Payment shall be made to the District in the amount of the statutory fees which the Unit Member has received for attendance as a juror, excluding the statutory mileage fee.

2. **Witness:** A Unit Member shall be granted a leave, with pay, when subpoenaed to appear as a witness, other than as a litigant, in a court of law or another governmental tribunal for reasons not brought about through the connivance or misconduct of the Unit Member. A Unit Member requesting such leave shall submit a copy of the subpoena. At the conclusion of his/her appearance, the Unit Member granted leave shall submit a verified statement specifying the dates and times the Unit Member appeared. This shall be attached to the Unit Member Absence Report. Payment shall be made by the Unit Member to the District in the amount of the statutory fees which the Unit Member has received for appearing as a witness, excluding the statutory mileage fee.

## **LONG TERM MEDICAL LEAVES**

### **A. Industrial Accident and Illness Leave**

Section 44984 of the Education Code is supplemented as follows:

1. Allowable leave with pay shall not exceed sixty (60) workdays for the same accident or illness.
2. The total of the Unit Member's temporary disability indemnity and the portion of the salary due him/her during his/her absence shall not exceed his/her actual wage if the Unit Member were on the job.
3. A Unit Member shall be deemed to have recovered from an industrial accident or illness, and thereby able to return to work, at such time as the physician agrees that there has been such a recovery.
4. An industrial accident or illness as used in this paragraph means any injury or illness whose cause can be traced to the performance of services for the District as determined by findings made by the Marin Schools Insurance Authority Workers' Compensation administrator. This does not limit the Unit Member's right to appeal through the Workers' Compensation Appeals Board.
5. Report of an industrial accident or illness shall be kept on file in the District's Business Office.
6. The benefits provided in this paragraph are in addition to sick leave benefits. Accordingly, the District shall not deduct accumulated sick leave from the sick leave allotment for a Unit Member who is absent as a result of an industrial accident or illness until Industrial Accident or Illness Leave, if granted, has been exhausted.

### **B. Family Medical Leave**

An eligible Unit Member shall be entitled to up to twelve (12) work weeks of unpaid leave within a twelve (12) month period for family and medical reasons under the federal Family and Medical Leave Act of 1993, and the California Family Rights Act ("family medical leave"). The following provisions shall be interpreted in accordance with those statutes and accompanying regulations.

1. A Unit Member is eligible if he/she has been employed by the District for at least twelve (12) months and has provided service at least one thousand two hundred fifty hours

(1250) hours over the previous twelve (12) months (normally this means a full-time work year – i.e., 188 days x 7 hours = 1316 hours).

2. Family medical leave shall be available for the following purposes:
  - a. Birth of a Unit Member's child (see also "Maternity Leave" and "Child Care Leave" below);
  - b. Placement of a child with the Unit Member for adoption or foster care (see also "Child Care Leave" below);
  - c. Care for the Unit Member's child, spouse or parent with a serious health condition;
  - d. The Unit Member's own serious health condition that keeps the Unit Member from performing his/her job function (see also "Extended Illness Leave" and "Health Leave" below).
3. A serious health condition is an illness, injury, impairment, or physical or mental condition involving in-patient care, continuing treatment or supervision of a health care provider.
4. A Unit Member may substitute sick leave or other paid leave in place of his/her family medical leave entitlement.
5. Family medical leave will run concurrently with other paid and unpaid leave, except maternity leave, if the reasons for the leave meet the requirements of family medical leave.
6. A Unit Member taking family medical leave will continue to participate in the District-provided health plan under the same terms and conditions, including any necessary co-payments, which applied prior to the first day of the Unit Member's leave. The District and Unit Member are required to make premium payments to the same extent made by them prior to the leave to maintain his/her health benefits during the leave period. If the Unit Member fails to return from the leave for any reason other than the recurrence or continuance of a serious health condition, the Unit Member will be liable to the District for premiums paid for maintaining the Unit Member's health coverage. A Unit Member may at his/her expense participate in all other Unit Member benefit plans offered by the District during the leave.
7. Where advance notice is possible, a Unit Member must provide thirty (30) days advance written notice of the need for the leave. If the need for the leave is unforeseen, written notice must be given as soon as possible. Failure to provide advance written notice may delay the granting of leave.
8. A Unit Member may be required to provide medical certification whenever a serious health condition of the Unit Member or his/her family member is the reason for the leave. A second or third medical opinion may be required regarding the Unit Member's serious health condition at the District's expense. In certain circumstances, the Unit Member may be required to provide recertification of his/her serious health condition

(e.g., when the duration and/or need for the leave is uncertain). Failure to obtain medical certification, when necessary, may delay the granting of the leave request until such certification is provided.

9. A Unit Member may be required to provide periodic reports of his/her status and of his/her intent to return to work while on leave. Such reports may be required as often as every thirty (30) days, unless otherwise specified by the Unit Member's immediate supervisor.
10. A Unit Member on family medical leave for his/her own serious health condition is required to provide a fitness-for-duty certificate from his/her physician before he/she will be reinstated to employment.
11. A Unit Member may be eligible for intermittent leave, or reduced work schedule in the following circumstances:
  - a. When the leave is for the birth or placement of a child, leave may be taken on an intermittent or reduced schedule with District approval.
  - b. Leave may be taken intermittently or on a reduced work schedule whenever it is medically necessary to care for a Unit Member's child, spouse or parent with a serious health condition, or because the Unit Member is seriously ill and unable to work the Unit Member's regular work schedule.
  - c. The intermittent leave or reduced work schedule must be taken within the twelve (12) work-week period allowed under family medical leave. The Unit Member will be paid at his/her daily or hourly rate of pay, whichever is applicable, for the time actually worked.
  - d. A Unit Member's reduced work schedule or intermittent leave may require the District to transfer the Unit Member to an appropriate available position with equal pay and benefits to better accommodate the leave. However, the Unit Member only will be paid for time actually worked.

### **C. Extended Illness Leave**

1. During each school year, when a Unit Member has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties on account of illness or accident for an additional period of up to five (5) school months, whether or not the absence arises out of or in the course of the employment of the Unit Member, the amount deducted from the salary due him/her for any of the additional five (5) months in which the absence occurs shall not exceed the sum that is actually paid a substitute employed to fill his/her position during his/her absence or, if no substitute Unit Member was employed, the amount that would have been paid to the substitute had he/she been employed. The District shall make every reasonable effort to secure the services of a substitute.
  - a. The amount deducted from the absent Unit Member's salary shall be no more than:
    - 1) First ten (10) days of absence – daily substitute rate
    - 2) Eleventh (11) day of absence – long term substitute rate, paid retroactively

- 3) Twenty-first (21) day of absence and thereafter first step, first track of the salary schedule
2. For purposes of subdivision "1":
- a. The sick leave, including accumulated sick leave, and the five- (5) month period shall run consecutively.
  - b. A Unit Member shall not be provided more than one (1) five (5) month period per illness or accident. However, if a school year terminates before the five (5) month period is exhausted, the Unit Member may take the balance of the five (5) month period in a subsequent school year.
  - c. When a Unit Member has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of illness or accident for a period beyond the five (5) month period provided pursuant to paragraph K.1. above, and the Unit Member is not medically able to resume the duties of his/her position, the Unit Member shall, if not placed in another position, for which the Unit Member is qualified and medically able, be placed on a re-employment list for a period of twenty four (24) months if the Unit Member is on probationary status, or for a period of thirty nine (39) months if the Unit Member is a permanent status. When the Unit Member is medically able, during the twenty-four (24) or thirty-nine (39) month period, the Unit Member shall be returned to employment in a position for which he/she is credentialed and qualified. The twenty-four (24) or thirty-nine (39) month period shall commence at the expiration of the five (5) month period provided pursuant to paragraph K.1. above.

To facilitate a return to employment from a re-employment list, the Unit Member must give at least thirty (30) days written notice of the intent to return.

**D. Maternity Leave**

- 1. A female Unit Member may take a leave on account of her pregnancy for a reasonable period of time during which she is disabled on account of pregnancy, childbirth or related medical conditions. Pregnancy, childbirth, or related medical conditions shall be treated as any other temporary disability, and the Unit Member shall be able to use any accrued sick leave or other paid leave for so long as she is disabled. If accumulated sick leave is exhausted during the period of disability, the Unit Member shall be eligible for extended illness leave as described in Section K above.
- 2. If the Unit Member intends to take a leave for maternity purposes, at least four months prior to the expected birth of the child, the Unit Member shall submit to the district a physician's statement noting the expected date of birth. A Unit Member may continue work until the onset of physical disability.
- 3. The Unit Member may claim sick leave pay and/or extended illness pay, for no more than that limited period of time when the Unit Member's physician certified in writing on the form provided by the District that she was physically disabled from performing her duties because of pregnancy, miscarriage, or recovery. (Request for Maternity Leave Sick Pay or Extended Disability Compensation Appendix Section 6)

4. This leave is not intended to provide for periods of rest prior to or following childbirth, or for childcare.
5. At the conclusion of the maternity leave, family medical leave may be elected. (See Section J.)

**E. Child Care Leave**

Upon request, the District may provide a male or female Unit Member who is a natural or adopting parent, an unpaid leave of absence for the purpose of caring for his/her child. The original leave shall remain in effect at least until the end of the trimester following the birth or adoption of the child, and no longer than the end of the second trimester following the birth or adoption of the child. Where advance notice is possible, a Unit Member must provide thirty (30) days advance written notice of the need for the leave. If the need for the leave is unforeseen, written notice must be given as soon as possible. Failure to provide advance written notice may delay the granting of leave. Upon reapplication, the leave may be extended for a maximum of two (2) years. Applications for extensions shall be made no later than March 1 or December 1.

**F. Parental Leave**

1. A unit member may take leaves of absence up to a total of twelve (12) weeks for parental leave for reason of the birth of a child of the unit member, or the placement of a child with a unit member in connection with the adoption or foster care of the child by the unit member as follows:
2. When the unit member has exhausted all available sick leave, and continues to be absent from his or her duties on account of parental leave pursuant to the California Family Rights Act ("CFRA," Government Code 12945.2), the unit member shall receive differential pay, for the remaining portion of the 12 workweeks of parental leave, at the current substitute rates for short term substitute days, long term substitute days, and Step 1 Column 1 per diem for substitute days beyond 20 days, or be paid 50% of salary, whichever is greater.
3. A unit member is not required to have 1,250 hours of service with the District during the previous 12 month period in order to take parental leave under this section. However, parental leave under this section shall run concurrently with CFRA leave and a unit member will receive up to twelve (12) weeks for parental leave during any 12-month period.
4. Nothing in this section shall be interpreted to prohibit a unit member who does not wish to exhaust their sick leave from requesting and receiving up to 12 school weeks of unpaid leave for child bonding purposes under the Family Care Leave provisions above, so long as the unit member qualifies for such leave.
5. The foregoing provisions are intended to comply with Education Code section 45196.1 (AB375).
6. If a unit member has exhausted the 12 weeks of parental leave paid at substitute differential pay, as set forth above, and seeks to continue such parental leave, the unit

member may request an additional unpaid leave of absence which, in combination with the 12-week leave, shall not exceed one (1) year.

**G. Health Leave**

1. The District may grant, upon request, a Unit Member an unpaid leave of one (1) trimester or more for health reasons.
2. A statement by the Unit Member's physician to the effect that the Unit Member is entitled to such leave shall be furnished at the District's request.
3. The Unit Member shall notify the District of his/her intended return date at least four (4) weeks in advance.

**LONG-TERM NON-MEDICAL LEAVES**

**A. Sabbatical Leave**

Section 44966 and 44967 of the Education Code are incorporated into this Agreement, except as supplemented as follows:

1. A sabbatical leave of absence may be granted to a Unit Member who has completed seven (7) full years of teaching in the District, when it is determined by the District that the sabbatical leave will be beneficial to the District in proportion to the salary paid. Application for sabbatical leave shall be made by March 1 of the school year preceding the sabbatical. Sabbatical leave may be granted up to one (1) complete school year.
2. The compensation shall be 50% of the salary of the Unit Member. Benefits shall continue to be provided and paid for by the District to the extent that they were re-paid prior to the leave. The Unit Member granted such a leave shall receive credit for annual salary increments during his/her leave and must return to serve two (2) years in the District following the sabbatical year. Failure of the Unit Member to comply shall result in reimbursement to the District of sabbatical pay and cost of benefits.
3. The District and a Unit Member who is to go on sabbatical leave shall develop a monthly payment schedule or a mutually agreeable alternative at least thirty (30) days before the sabbatical leave is scheduled to commence.

**B. Professional Leave**

1. Exchange Teacher: A permanent Unit Member may be granted a leave by the District to serve as an exchange teacher. Such a leave shall not constitute a break in the continuity of service within the District and shall be a paid leave.
2. Foreign Teacher or Research: The District may grant a permanent Unit Member a leave of absence for research or teaching under a nationally recognized fellowship approved by the State Board of Education, or for teaching in American Armed Services Dependents' Schools overseas. Such a leave shall not constitute a break in the continuity of service within the District and shall be an unpaid leave.
3. Opportunity Leaves: An opportunity leave may be granted by the District to a permanent Unit Member to accept a position that will benefit the District and/or the

individual. The detailed description of the leave shall be submitted to the Superintendent. The District may grant the continuation of Unit Member's benefits during an opportunity leave at District's cost to the extent they were in effect prior to the leave.

4. Professional leaves may be extended for a maximum of two (2) years. Applications for extensions shall be made no later than March 1.

### **C. Catastrophic Leave Pool**

1. "Catastrophic illness or injury" means an illness or injury that is expected to incapacitate the Unit Member for ten (10) or more days and creates a financial hardship for the Unit Member because all accumulated fully paid sick days have been exhausted.
2. This procedure shall be administered by the Association pursuant to the provisions of this section. The Association shall designate a committee to administer the procedure. The committee is responsible for contacting Unit Members regarding their participation in the pool, maintaining the donor list, determining which applicants are eligible for donations of catastrophic leave days, and notifying the District of the names of individuals receiving and donating days.
3. Decisions of the committee regarding administration of the catastrophic leave are not subject to the Grievance procedure.
4. The number of days that may be used by all Unit Members in one year may not exceed ninety (90).
5. All applications and donations are confidential.
6. Enrollment and Donations
  - a. In order to participate, a Unit Member must donate one (1) day to the pool prior to making an application to the committee. Subsequent donations are voluntary.

- e. In the case of a very serious illness, the individual may request up to twenty (20) additional days.

**D. Miscellaneous Leave**

- 1. A permanent Unit Member may be granted an unpaid leave of absence for up to a period of one (1) year, the granting of which would be of benefit to the District or the individual.
- 2. At least four (4) months prior to the leave, the Unit Member shall submit to the Superintendent a written request for the leave stating the period of the leave and the reason for the request.

**ARTICLE IX**  
**CLASS SIZE**

It is the District's tradition not to exceed the ratio of 25 to 1 unless it becomes necessary to do so. The District's average academic class size maximum shall be 30. The Superintendent has the authority to establish the class size for all other classes, including, but not limited to, music classes, electives, and physical education classes. Every effort will be made to balance class sizes within a grade level and/or department by school. Upon request, the District will provide in writing the efforts made to balance classes.

**ARTICLE X**  
**UNIT MEMBER TRANSFER**

**A. Definition**

A transfer is a voluntary or involuntary move from one District school to another District school.

**B. Criteria**

The District shall consider the following when making transfers:

- 5. Instructional strategies and techniques to achieve program balance
- 6. Seniority

**C. Notice of Employment Intent**

- 1. Unit Members will notify the District on the Notice of Employment Intent form of their

The request will be considered by the Superintendent at the time that personnel assignments are made for the forthcoming school year.

**D. Vacancies**

1. A vacancy is any vacated, promotional or newly created position.
2. During the school year, the Superintendent will post notices of vacancies when possible. Within five (5) days of notification, Unit Members interested in the position must make written application to the Superintendent. Postings shall include:
  - a. A closing date, which is at least five (5) days following the posting date.
  - b. Qualifications necessary to meet the requirements of the position.
3. No assignment to fill the vacancy shall be made before the posted closing date.
4. The District shall, upon request by a Unit Member, notify that Unit Member during summer recess, or period of leave, of any posted openings which may arise during the summer recess or period of leave. The Unit Member's request must be in writing and must include a mailing address for the summer or period of leave.
5. If a Unit Member already has a transfer application on file for the current year, it is not necessary to make further application in order to be considered for any vacancies for which the Unit Member may have applied.
6. The District shall, upon request of the Unit Member, deliver in writing the reasons for the Unit Member not receiving the vacancy, promotional position, or newly created position.

**E. Involuntary Transfer**

5. All Unit Members involuntarily transferred shall have the right to apply for vacancies.
6. A Unit Member who is involuntarily transferred shall, upon written request and within a reasonable period of time, receive from the Superintendent, or designee, a written

explanation.

7. Retraining: Up to one year after a Unit Member is involuntarily transferred to another program type, the Unit Member and the site principal, at the request of either, shall develop a mutually agreeable program of retraining. This training may include, but not be limited to, college credit courses, reduced teaching load without loss in compensation to the Unit Member, attendance at conferences, and assistance by other department, team, or grade level members experience in the area of transferee's new assignment. This provision shall not apply if the transferee has taught in the area of the new program type at any time during the past three (3) years. The District shall pay up to \$500.00 and may pay more for retraining costs of involuntary transferees. A portion of this amount may be made available for released time or remuneration for other Unit Members involved in retraining.
8. Involuntary transfers shall only be made for the following reasons:

#### **B. General Provisions**

1. The immediate supervisor shall be responsible for evaluation of Unit Members. Such evaluation shall be in accord with the criteria and procedures of this Article. By October 1 of each school year, the District shall designate the immediate supervisor for each Unit Member who works at more than one school site.
2. Unit Members shall receive one of the following recommendations:

  - c. Unsatisfactory – Does not meet standards (Improvement Plan needed; required to participate in peer assistance and review program PAR)
3. Probationary and Temporary Unit Members are to be formally observed at least twice each year.
  4. Temporary Unit Members and categorical unit members who have not previously served as permanent Unit Members in the District shall be evaluated annually. Categorical Unit Members who have received three consecutive “satisfactory performance” classifications will be evaluated once every other year.
  5. Unit Members with permanent status who have received a satisfactory evaluation are to be evaluated once every other year unless there has been a change in teaching assignment. Unit Members who have received three (3) consecutive “satisfactory” classifications beyond the probationary year evaluations will be formally evaluated every third year. Supplementary formal evaluations may be held at the discretion of the supervisor.
  6. Permanent or other continuing Unit Members receiving a “satisfactory with improvement needed” shall be evaluated the following year, but must receive either a “satisfactory – meets standards” or “unsatisfactory – does not meet standards” that following year. An improvement plan (see Appendix) shall be developed for a Unit Member receiving “satisfactory with improvement needed” or “unsatisfactory – does not meet standards.” Unit Members receiving “unsatisfactory – does not meet standards” shall be evaluated yearly until their performance is “satisfactory – meets standards.” Such Unit Member is also subject to the remedies afforded by Education Code sections 44932-44944. Improvement plans will not be written for Unit Members who will not be re-employed for the following year.
  7. Under special circumstances with consent of the Unit Member, Supervisor and Superintendent, the evaluation may be postponed.

**C. Basis of Evaluation**

Unit Members shall be evaluated based upon Performance Competency: The District shall evaluate and assess certificated Unit Member competency as it reasonably relates to The California Standards for the Teaching Profession (See Appendix Section 1D) and progress towards completion of performance goals.

**D. Data for Evaluation**

1. Data to facilitate such evaluations may include but is not limited to: observations, products, teacher-made and criterion-referenced tests and anecdotal records.
2. The following items shall not be considered valid as data for purposes of evaluating Unit Members: standardized test scores, achievement of objectives stated in Individual Educational Programs of Special Education students, student surveys, and parent judgment.

3. The evaluator must include in the formal evaluation a list of any major constraints which may have hindered the Unit Member's achievement of performance goals, and adherence to The California Standards for the Teaching Profession. The Unit Member may append to this formal evaluation a statement which may include additional constraints.
4. The evaluator shall compile data on Unit Members. No Unit Member shall be required to collect or provide data, or written assessment of any other Unit Member. This provision does not preclude Unit Members from contributing evaluation data to administrators for classroom aides.
5. The private life of a Unit Member shall not be a part of an evaluation conducted according to the procedure of this section except as it may impair the Unit Member's performance of his/her assigned duties and responsibilities.

**E. Performance Goals**

1. Evaluator and Unit Member shall jointly develop in writing, on forms provided (See Performance Goals Form in Appendix Section 1E), one goal aligned to the District Strategic Plan, the School Plan and/or recommendations in the previous summative evaluation. The second goal can be an area for personal professional growth. Unit Members may add a third goal at their discretion. Those Unit members not in their formal evaluation year will still participate in setting performance goals according to the timeline, and a follow-up conference with their supervisor by June 1 of the school year. Unit Members who are being formally evaluated will discuss performance goals at the pre-summative conference.
2. By September 15, unit Members shall be provided with the following information:
  - a. Annual goals from the District Strategic Plan.
  - b. Action plans from School Site Plan. (If available)
  - c. California Standards for the Teaching Profession rubric (Appendix Section 1D).

Unit Members are expected to be familiar with these materials.

3. By October 15, each Unit member shall meet with the evaluator responsible for his/her evaluation for a performance goals conference. The Unit Member shall bring to the conference draft goals using the appropriate District form (See Appendix Section 1E). At the conference the Unit Member's previous formal evaluations are reviewed to identify areas needing strengthening or improvement. The Unit Member's general performance is reviewed in relation to The California Standards for the Teaching Profession and the job description. At the conclusion of the conference, the mutually agreed upon performance goals are committed to in writing, on the applicable District form. A copy of these performance goals is given to the Unit Member for signature. The Unit Member shall sign and return it within ten (10) calendar days of its receipt. The original copy will be sent to the Superintendent for the Unit Member's personnel file. A copy will be maintained by the principal and Unit Member.

4. Should there be a failure to reach mutual agreement on administrator/Unit Member jointly developed performance goals, an appeal shall be filed with the Superintendent or designated administrator who shall adjudicate the disagreement.

**F. Formal Observations**

1. All formal classroom observations of work performance shall be conducted openly and with full knowledge of the Unit Member.
2. When formal observations are used to obtain evaluation data they shall be conducted in the following manner:
  - a. Formal observations may begin as early as October 15 and shall be completed no later than May 1. Those teachers with permanent status may elect to start the Formal Evaluation process prior to October 15.
  - b. Probationary and Temporary Unit Members will have at least one formal observation by December 1.
  - c. The evaluator shall schedule the formal observation at least fifteen (15) working days in advance.
  - d. At least 5 working days prior to observation, Unit Member must schedule and attend pre-observation conference to explain the lesson plan. Unit Member will provide the evaluator with a written lesson plan (see form in Appendices), at least two working days prior to the evaluation.
  - e. The evaluator will not interrupt instruction during the observation.
  - f. Within seven (7) working days following any such observational visitation, the evaluator shall meet with the Unit Member to discuss the observation and to complete a written report of the observation. (See Formal Observation: Written Report Form Appendix Section 1C). The written observation report shall include commendations and recommendations for improvement. Deficiencies, if any, shall be noted, along with supporting evidence.
  - g. The written observation report shall contain specific recommendations to assist the Unit Member in correcting cited deficiencies.
  - h. Upon the evaluator's completion of the written report, the Unit Member shall receive a copy of the form. The Unit Member shall acknowledge the evaluator's formal observation report by signing and returning it. This signature does not acknowledge agreement with the formal observation report, but only that a copy was received and read. Within ten (10) working days of the receipt of the formal observation report, the Unit Member may respond to the evaluator's comments. The original copy of the observation report, including the Unit Member's signature and the Unit Member's comments, if any, will be sent to the Superintendent for the Unit Member's personnel file, and a copy will be maintained by the principal.
3. No Unit Member may receive a "Satisfactory – with improvement needed" or an

“Unsatisfactory – does not meet standards” unless two (2) or more formal observations have been conducted.

**G. Pre-Summative Evaluation Conference**

1. A pre-summative evaluation conference shall be held before the preparation of the written Summative Evaluation. It shall be conducted in the following manner:
  - a. The evaluator and Unit Member shall discuss the evaluative data as it relates to the Unit Member’s job description, performance in relation to the identified performance goals, and performance as it relates to The California Standards for the Teaching Profession. The Unit Member shall bring to the conference a self-appraisal using the Summative Evaluation form checklist which shall be discussed at the conference.

**H. Final Summative Evaluation**

1. The evaluator shall prepare a written summative evaluation report which shall be delivered to the Unit Member no later than thirty (30) calendar days prior to the end of the school year. (See Certificated: Summative Evaluation Report Form Appendix Section 1F).
2. The Summative Evaluation shall include ratings based on The California Standards for the Teaching Profession, Performance Goals and job description, and indicate if the Unit Member’s overall performance is: 1) Satisfactory – meets and/or exceeds standards; 2) Satisfactory with improvement needed (Improvement Plan needed); or 3) Unsatisfactory – does not meet standards (required to participate in PAR).
3. If the Unit Member’s evaluation is “unsatisfactory” or is “satisfactory with improvement needed” the summative evaluation must include recommendations for improvement. An Improvement Plan will be developed within ten (10) working days and attached to the summative evaluation. The evaluator and Unit Member shall attempt to mutually agree on the procedures. In the event agreement cannot be reached, the evaluator will determine the plan.
4. The Improvement Plan shall include a timeline and a statement of areas of performance needing improvement. It shall also specify the Unit Member’s responsibility and District assistance. These recommendations can be modified or added to by mutual agreement during the next employment year. Release time may be provided if the District considers it appropriate. The Unit Member must show a strict adherence to the specific recommendations.
5. If the evaluator and the Unit Member agree that subsequent remedial action has corrected the identified deficiencies, a statement of such improvement shall be included in the next evaluation.
6. If at completion of the timeline for the improvement plan, the District determines that the deficiencies have not been corrected, an involuntary transfer or a reassignment may be made as a further effort to provide an opportunity for the Unit Member to improve.
7. Unit members receiving an “Unsatisfactory – does not meet standards” evaluation will

be referred to the Peer Assistance and Review Program under Article XVIII. Participation in PAR is mandatory for Unit Members receiving an “Unsatisfactory – does not meet standards” evaluation.

8. The Unit Member shall acknowledge the evaluator’s summative evaluation by signing it. This signature does not acknowledge agreement with the summative evaluation, but only that a copy was received and read. Unit Members may request copies of evaluation data presented at the summative evaluation conference.
9. The Unit Member has the right to attach a response to his/her own summative evaluation. Such a statement shall be part of his/her permanent file and shall be submitted within twenty (20) calendar days of receipt of the evaluation.
10. The original copy of the summative evaluation including the Unit Member’s signature, comments, and response if included, and formal observation forms shall be forwarded to the Superintendent and placed in the Unit Member’s permanent personnel file; a copy shall be returned to the Unit Member and a copy placed in the principal’s temporary personnel file at the school.

**I. Personnel File**

A Unit Member shall be permitted to review and obtain a copy of the materials in his/her District personnel file which may serve as the basis for affecting his/her evaluation. Evaluation Reports shall be maintained in the Unit Member’s personnel file. All such material placed in the file shall be dated and signed by the person who caused the materials to be placed in the file.

1. Information of a derogatory nature shall not be entered or filed unless and until the Unit Member is given a copy of the material, and an opportunity to review and comment.
2. A Unit Member may have an Association representative present when he/she inspects his/her personnel file, or may authorize in writing an Association representative to review his/her files.
3. Only District personnel who have direct supervisory or administrative relationships to the Unit Member may have access to the unit member’s personnel file. This section does not preclude the Superintendent from showing the files to legal counsel, or to the Board pursuant to personnel matters within their scope of responsibility.
4. The District shall not maintain any permanent files or data for formal evaluation other than the Unit Member’s personnel file. This section does not preclude administration/principals from maintaining temporary work files or copies of formal observation reports, or final evaluations while the Unit Member remains a member of that staff.
5. The Unit Member may request, in writing, that derogatory material four (4) years or older be removed from the personnel file. The District may remove, separate, and seal in a separate file and retain for legal purposes.

**J. Supervision, Support, and Informal Observations**

This Article refers to the process of Formal Evaluation. The administrator/principal is expected to provide ongoing supervision and support of Unit Members and, therefore, this Article does not apply to informal observations. Frequent informal observations are encouraged.

## **ARTICLE XII**

### **CITIZEN COMPLAINTS**

- A.** Citizens who have specific concerns regarding a Unit Member should direct the concern verbally, or in writing, first to the Unit Member involved. If the concern is lodged with a supervisor or the Superintendent, it shall be brought to the attention of the Unit Member as soon as possible, but no later than the close of the third day the Unit Member reports for work after the concern is initiated.
- B.** Complaints of a more compelling nature may be reported to a supervisor or the Superintendent, and a written complaint may be filed. If a written complaint is not filed, the Superintendent or designee will keep the information confidential, and will share it with the Unit Member in a timely manner, but not to exceed ten (10) working days. In this event, the citizen making the complaint of a more compelling nature may request anonymity.
- C.** Complaints shall be considered confidential. Confidentiality means the information shall be limited to the Board, Superintendent, supervisor, or other Unit Members acting in an official capacity as District representative.
- D.** The Unit Member shall be given a reasonable opportunity to consult with a representative and respond to the complaint before any action is taken by the supervisor or any other administrator except in cases otherwise provided for in law.
- E.** If the complaint is not resolved directly with the Unit Member, it may be appealed to the Unit Member's supervisor, e.g., principal. If the complaint cannot be resolved verbally, it should be filed in writing with the Unit Member's supervisor who shall provide a copy to the Unit Member.
- F.** A conference shall be held between the supervisor and the Unit Member if requested in writing by the Unit Member. The complainant may be invited to attend.
- G.** The Board shall not dismiss for cause a Unit Member solely on the basis of unsubstantiated allegations in a citizen or parent complaint.

## **ARTICLE XIII**

**D. Additional Options for Retirement**

The District will offer the following options to no more than three (3) Unit Members a year. However, the District reserves the right to offer the Retirement Options to more than three Unit Members per year based on the fiscal condition of the District. Acceptance into a retirement option program is contingent upon approval by the Board of Trustees. Retiring Unit Members may choose and participate in only one of the three programs. Unit Members wishing to participate must apply in writing no later than March 1<sup>st</sup>. Priority will be given, based on earliest notification to the District, to participate in one of the following retirement options:

1. The Retirement with Consultancy Program
2. Substitute Teaching Program
3. Part-time Employment with Full Retirement Credit (Willie Brown Program)
4. Golden Handshake Program
5. Other as agreed by the parties

**1. Retirement with Consultancy Program**

Individual consultancy plans are contingent upon the Unit Members submitting a written resignation and having the resignation and the consultancy plan accepted by the Board of Trustees.

- a. Certificated personnel desiring to participate in the program must apply no later than March 1 to begin the program the following school year, and no later than November 15 to begin the program at the beginning of the second semester.

## **2. Substitute Teaching Program**

- a. After retiring, Unit Members may choose to substitute teach in the District for up to three (3) years.
- b. Participants will be given the right of first refusal for thirty-five (35) days each year when called for substituting. The District would make the requisite payment to STRS to fund this benefit.

**ARTICLE XVII**  
**COMPENSATION**

**Section I: Salaries**

**A. Salary Schedule**

The District salary schedule for 2023-2024 and 2024-2025 is attached in Appendix Section 7.

- 1. Effective July 1, 2023 a 10% across the board increase to all salary schedules.
- 2. Effective July 1, 2024 a 5% across the board increase to all salary schedules.
- 3. Effective January 1, 2025 an additional 3% across the board increase will be placed on all salary schedules. The 3% increase will be placed on top of all the salary schedules existing on December 31, 2024.

**B. Proportional Salary**

All Unit Members who serve other than the required number of days as set forth in Article VII M (1) Work Year, shall receive pro rata salary based on the number of days worked. This provision excludes hourly summer employment.

**C. Salary Maintenance**

Increases in salary to each Unit Member and step advances shall depend upon that Unit Member receiving a satisfactory evaluation, subject to the following conditions:

1. A “satisfactory evaluation” is a formal evaluation conducted pursuant to Article XI of this Agreement, which concludes with the following recommendation: “satisfactory.”
2. In the case of a recommendation of “satisfactory with improvement needed” the Unit Member receives his/her regular salary increase, but must receive either a “satisfactory performance” or “unsatisfactory performance” the following year.
3. For purposes of Section C of this Article, no Unit Member shall receive an evaluation pursuant to Article XI of this Agreement with the recommendation of “unsatisfactory performance” or “satisfactory with improvement needed” unless based on the judgment of the evaluator supported by accurate, verifiable and objective evaluation data as listed in Article XI, Section B. A recommendation of “unsatisfactory performance” made pursuant to this Section for purposes of denial of salary or step increase may be appealed through the grievance procedure outlined below:
  - a. Within ten (10) days of the Unit Member receiving the “unsatisfactory performance” evaluation the Unit Member may initiate a grievance directly at Level II.
  - b. Upon completion of Level II, the grievance may be continued to arbitration as specified in this Article. This step shall only be upon Association request for the purpose of denial of salary and step increase.
  - c. The arbitrator shall be selected according to American Arbitration Association procedures. The arbitrator shall conduct a hearing according to the voluntary rules of the American Arbitration Association and shall make his/her recommendation to the parties within thirty (30) calendar days of the hearing. The decision of the arbitrator, to uphold or invalidate the evaluator’s recommendation for the purpose of withholding step and salary increase shall be in writing.
  - d. The arbitrator shall not invalidate the evaluator’s recommendation unless he/she finds that:
    - 1) The evaluation was conducted in an arbitrary, capricious, or discriminatory manner;
    - 2) The evaluation violated the procedures established under Article XI to such an extent to affect the final recommendation;
    - 3) The conclusion of the evaluation was not supported by enough data as described under Article XI.
  - e. The arbitrator’s decision shall be final.
  - f. The District shall assume the costs of the arbitrator’s fees and expenses and court reporter costs if the arbitrator overturns its recommendation. Conversely, the Association shall assume the cost of said fees, expenses, and costs if the arbitrator

upholds the District's position. Each party shall bear the costs of advocacy.

g. Nothing in the foregoing shall be construed to empower the arbitrator to make any decision amending, changing, subtracting from, or adding to the provisions of this Agreement.

4. Loss in step and salary increase shall occur the ensuing school year following the receipt of an "unsatisfactory performance" recommendation.
5. The District shall place in escrow any step and salary increase withheld from Unit Members excluding track increases. In the event a Unit Member receives a "satisfactory" evaluation in the ensuing year, or years, the District shall remit to the Unit Member the withheld funds on or before June 30<sup>th</sup> of that school year. Interest on withheld funds shall be paid to the Unit Member. Interest shall be simple interest, computed at the rate currently being paid to the District through the Marin County Office of Education per annum, prorated.

If a Unit Member receives a "satisfactory with improvement needed" or an "unsatisfactory" after receiving an "unsatisfactory" in the prior year, the Unit Member's step and salary increase for the "unsatisfactory" year, or years, shall remain in escrow until the Unit Member receives a "satisfactory" evaluation. If the Unit Member fails to receive a "satisfactory" evaluation after three (3) years, any step and salary increase(s) withheld from the first year shall be forfeited to the District on July 1<sup>st</sup> of the fourth year. This procedure shall continue until the Unit Member receives a "satisfactory" evaluation.

6. The Unit Member shall receive track increases regardless of this section. No Unit Member shall be deprived of any professional right or benefit, other than those specified in number 5 above, due to the implementation of these provisions.
7. Implementation of these provisions shall not constitute cause nor be made part of any dismissal proceedings; however, the evaluator's recommendations, and the supporting data can be used in dismissal or other disciplinary proceedings.
8. Should these provisions be challenged in a court of competent jurisdiction and/or other governmental tribunal, the District agrees to hold the Association harmless for any and all costs, fees, and awards/judgments related to these actions. This section does not apply to suits brought by the Association or its affiliates, or to which the Association or its affiliates are moving parties.

## **Section II: Placement**

**At the time of hiring, all new unit members will receive a one-time signing bonus of \$2,500.**

### **A. Initial Placement**

The Superintendent shall make the initial placement of new Unit Members on the salary schedule for the first year of district employment based on the number of college and university upper division credits completed beyond the completion date of the Bachelor's Degree and based on prior years of teaching experience. (See Salary Schedule Placement Form Appendix Section 9).

1. A Unit Member may be given full credit for up to fifteen (15) years of full-time teaching experience if, at the time of teaching, the Unit Member possessed valid credential and/or had sole responsibility in a classroom setting. A Unit Member credited with fifteen (15) years of experience shall be placed on STEP 16 of the current salary schedule.
2. Part-time teaching, or fractional parts of a school year shall be accumulated and rounded to the nearest full year of credit. Long-term substitute teaching for continuous periods longer than twenty (20) days in the same classroom will qualify as "fractional" experience. Other substitute experience will not count, however.
3. Transcripts, units, and verification of experience must be submitted within ten (10) days of the effective date of initial employment. Credentials must be verified before the effective date. No credit will be granted at a later date for units, degrees, or experience previously earned which are not verified at the time of employment.
4. Transcripts and verification of experience must be submitted to the District prior to a Unit Member receiving salary placement.
5. Unit Members shall be notified within ten (10) days of receipt by the District of items described in paragraph A.3. above, of the number of credits approved by the Superintendent for the purpose of track placement, and the number of years approved for the purpose of step placement.

**B. Graduate Degree Recognition**

1. Unit Members holding a Master's Degree will receive a yearly payment of \$1,500 in addition to their regular salary and an additional yearly payment of \$1,200 for an earned Doctorate. Unit Members holding National Board Certification will receive a yearly payment of \$1,100, in addition to their regular salary.
2. Payments shall be pro-rated for part-time Unit Members.
3. The Unit Member shall receive the payment effective at the beginning of the next contractual year after the degree has been granted.

**C. Track Advancement**

**1. Units**

- a. Unit Members planning an advancement in track for the following year must submit a request to the principal prior to June 1. (See Unit Petition Form Appendix Section 11).
- b. Credit will be granted only for courses pre-approved by the principal. (See paragraph 3 below.)
- c. In the event credit is denied by the principal, the Unit Member may appeal to the RDTA Executive Board which may then make a recommendation to the Superintendent. The Superintendent will make the final determination.

- d. A Unit Member must present evidence of completion of course work to the District Business Office on or before September 10.
- e. Credit for any one course may be counted only once. The District shall record and add the completion of units to the Unit member's personnel file. All records are available for review by Unit Members.
- f. Notification of each Unit Member's status with regard to step, track, and number of units accumulated will be given to each Unit Member by February 28 of each school year. (See Certificated Personnel Data Form Appendix Section 10).
- g. One unit is equal to fifteen (15) hours of study or course work. A quarter unit shall be equivalent to 0.66 semester units.
- h. The maximum number of college or university units acceptable for salary schedule credit shall not exceed six (6) units earned during any one semester of full-time employment and ten (10) units earned during one (1) summer session.
- i. Units may not be earned for course work scheduled during unit release time.
- j. Unit Members may earn fractional units where appropriate.
- k. Unit Members must receive a grade of "C" or better or "pass" to earn credits for units.

## **2. Workshop and Equivalent Units**

- a. Units may be earned for completing workshops not carrying college or university credit if the attendance is approved by the principal and the Superintendent.
- b. The number of units earned per workshop shall be based on one unit = 15 clock hours of course work.
- c. Units may be earned for non-academic activities. This provision applies for movement beyond Track C only. Up to two (2) units may be earned within a four (4) year period.
- d. The Unit Member shall state the number of units to be earned for the activity. The principal shall evaluate such requests on the number of hours expended, and the relevance of the activity to the Unit Member's teaching responsibility.

## **3. Petition of Units**

- a. Unit Members may petition for units for Track Advancement to the principal on District-approved forms. The petition will then be forwarded to the Superintendent for final approval. (See Unit Petition Form Appendix Section 11).
- b. Credits must be from an accredited college or university or approved California institution, and must be for upper division or graduate units.
- c. If a Unit Member believes that participation in a lower division course will benefit

his/her professional development, and that a similar course is not available at an upper division or graduate level, then such Unit Member may petition the Superintendent for a waiver.

- d. The waiver must be granted before enrollment in lower division course work.
- e. No credit for units shall be granted unless the Unit Member has received prior approval by the principal and final approval by the Superintendent. Course approval will be granted only for those courses which extend the instructional competency of the Unit Member or which are relevant to the Unit Member's teaching assignment in the District.
- f. Any Unit Member denied prior approval for any course work will receive a form from the Superintendent stating why the petition has been denied. (See Unit Petition Form Appendix Section 11). If a petition is resubmitted to the Association Executive Board for approval, the Superintendent will then respond within thirty (30) days after receiving it from the Association.
- g. In special circumstances, credit may be granted for units completed over the summer if the Superintendent is able to issue final approval by June 30.

#### **D. Step Advancement**

1. Step advancement shall occur at the beginning of each school year.
2. Advancement on the salary schedule shall be at the rate of one (1) step for each year of teaching experience after initial placement.
3. To qualify for a year's credit, a Unit Member must work in paid status at least 75% of the school year for no less than 50% of the teaching contract. Days worked as a long-term substitute shall count toward the 75%. Day-to-day substitute teaching will not count.
4. Part-time Unit Members will be advanced on the salary schedule on the same year-to-year rate as full-time Unit Members, and will be paid a pro-rated salary based on that step.
5. When a District part-time Unit Member accepts a full-time contract, his/her salary step will be computed on the basis of the sum of full-time and part-time service including work as a Unit Member outside the District.
6. Unit members shall complete six (6) approved units or ninety (90) hours of continuing education courses within each four (4) year period of employment to qualify for step advancement. District staff development hours do not count toward this requirement. **Catastrophic Leave Pool**

“Catastrophic illness or injury” means an illness or injury that is expected to incapacitate the employee for ten or more days and creates a financial hardship for the employee because all accumulated fully paid sick days have been exhausted.

This procedure shall be administered by the Association pursuant to the provisions of this section. The Association shall designate a committee to administer the procedure. The committee is responsible for contacting unit members regarding their participation in the pool, maintaining the donor list, determining which applicants are eligible for donations of catastrophic leave days, and notifying the District of the names of individuals receiving and donating days.

Decisions of the committee regarding administration of the catastrophic leave are not subject to the grievance procedure.

The number of days that may be used by all unit members in one year may not exceed 90.

All applications and donations are confidential.

**Enrollment and Donations**

- In order to participate, a unit member must donate one day to the pool prior to making an application to the committee. Subsequent donations are voluntary.
- A person must have accumulated at least 10 sick days before they can contribute to the catastrophic leave pool.
- No employee may donate more than 3 days of sick leave in any one school year.
- All donations are irrevocable.

Application Procedure

- An applicant must have been absent for 10 days. These days of illness or disability must be covered by the unit member's own sick leave, differential leave, or leave without pay.
- Application for catastrophic leave must be made prior to exhaustion of fully paid leave.
- Applications must specify the number of days requested, which may not exceed 20 days.
- A physician's verification of illness must accompany the application when relevant.
- In the case of a very serious illness, the individual may request up to 20 additional days.

Effective upon ratification.
