

Updates & Corrections to Yesterday's Newsletter

Good Morning!

I know there was **more** than enough content in yesterday's newsletter, but I've heard from a few parents that the Parent Summary link under '*Educate Yourselves About the Changes*' section, is not working properly.

Updated Link

On my end, this [Parent Summary link](#), is currently working. Hopefully, it works for you, too!

Alert for Gmail Users

I also heard that the newsletters we send from *Constant Contact* may be directly filtered to a '**Promotions**' folder in **gmail**.

If you are a gmail user, you may want to check your 'Promotions' folder and your settings. I'm also including a link to yesterday's newsletter here:

[September 23 Bel Aire Newsletter](#)

(Also note, that if you did not receive yesterday's newsletter, there is a button at the top of the above link that says '[Join our Mailing List](#).'

As a side note - I switched from using Actionaly back to Constant Contact because I received feedback that the Actionaly messages were hard to read on a phone, and I agree!

Another Reminder About Parent Requests

We continue to receive many parent requests for changes and exceptions. We understand that most families have compelling reasons for requesting exceptions to our new procedures, but we are unable to accommodate any such requests. We understand the inconvenience, but adhering to these practices are required for all families in order to safely return students to campus.

Again, **there is a lot to learn**, but I appreciate everyone taking the time to read through the *many* details and help us prepare your child for a safe and successful return to school!

Sincerely,
Lexie Cala
