A Note from Ms. Cala

I would like to remind parents that parking and use of our driveway is closed to parents and visitors from **7:45am - 2:55 pm, every day**. This is not a new policy, and I would like to direct parent drivers to the [Parking & Use of Driveway](#) section of the [RUSD Family Handbook](#). Morning drop-off and afternoon pick-up must take place at the bottom of the hill unless special arrangements have been made. This is a critical safety issue as we cannot accommodate additional cars passing through our small parking lot and narrow driveway - especially near the start and end of the school day.

Recently, this has been particularly problematic in the mornings with late cars using our driveway to drop off students just after the 8:00 bell rings. Please do not use our driveway for late morning drop-offs. This is especially important between 7:45 and 8:15 because of bus traffic.

Thank you for taking the time to review our policy and for understanding that our rules are for the safety of our students and apply to all of us.

Technical Difficulties with School Portraits

The portrait company is experiencing technical difficulties on their end. We will send out a message when the problem is resolved. Sorry for the delay.
