

Virtual Variety Show 2022

Attention Bel Aire Students! Since it was so successful last year, we are going to have another Virtual Variety Show! This is an optional activity, but if you have a gift or talent that you would like to share, you will need to record a two minute (*or less*) video to submit to your music teacher, Mr. Gist, following the guidelines below. We will air the show in your classroom during the last week of school. Have fun!

Virtual Variety Show Requirements & Expectations:

Acts must follow each of the following guidelines, or they cannot be accepted.

- Length:** Acts must be less than **2 minutes**. *Less is more* – do not feel that you need to fill this entire time-period.
- Due Date: Friday, May 27th. No late entries.** No exceptions.
- Participation:** You may perform a solo (by yourself), or a group number (with other students), however you may **not** appear in more than **one** video. If you appear in a video performing a solo, you may not submit a second video performing in a group number.
- Content:** Songs and performances must be appropriate for an elementary school performance. Lyrics must be carefully reviewed to ensure they do not contain inappropriate words or references. If you submit a video of yourself singing, make sure that it is *your* voice we are hearing, and that you are not lip-syncing!
- Performance quality:** Make sure that you practice and rehearse your act to the point where the final product is polished and finished. Performances that do not meet quality or content standards will not be accepted.
- Submission:** Since video files are often too large to email, the best way to submit your video is to upload it to your Google Drive and then share it with me (Mr. Gist). If you prefer to email it to me, my address is: jgist@reedschools.org .

**ALL VIDEOS ARE DUE TO MR GIST NO LATER THAN
FRIDAY, MAY 27th!**
