

Raccoon Report

Reed School news for kids!

Hi Reed Raccoons! This is the first issue of a newsletter just for you. This is separate from our regular principal updates. Each issue will feature photos and news around a theme while you're doing school from home, such as spirit days and creative projects. But we'll need your help. Here's how it works:

- We'll announce the theme (see the message below in red)
- Ask your parents & caregivers for permission to email a photo
- Email the photo to: raccoonreport@reedschools.org
- The newsletter will be sent out on Wednesdays

Please send just one photo. There are 330 students in our school so we might get a lot of great photos! We'll do our best to fit them all in. This is just for fun and optional, so you don't have to send a photo. You can just enjoy looking at them if you'd rather do that. (Parents: sending in a photo gives permission for it to be shared in this format).

For the first issue, our theme is "School at Home."
Send us a photo of you learning at home.

Please email the photo by tomorrow (Tuesday, April 21) at noon. This first issue is a quick turnaround. We'll give more notice for future issues.

Don't worry if you don't have a photo. There will be more chances. Participation is completely optional - your choice!

Remember, emails about the Raccoon Report should only go to raccoonreport@reedschools.org (not to teachers).

If you have ideas for future issues, we'd love to hear from you.

Our publisher will approve all photos (in between his naps and chewing on Ms. Juli's chair). Keep an eye out for the first issue!
