

Reed News

May 22, 2020

Dear Reed Families and Caregivers,

Hope this letter finds you well and ready for the 3-day holiday weekend. Like many of us, you are probably eager to carve out a little time for some outdoor fun away from screens and technology! Please be sure to read all about our **End-of-Year Summer Send Off** below. We look forward to the chance to say goodbye (from a safe distance) to our students and families.

Save the Date: Reed School Incoming Kindergarten Welcome & K-2 Summer Send Off Parades

On Friday, June 12 many members of Reed Staff will be standing along Kleinert Way and Lyford Drive to wave a **BIG** hello to our incoming kindergarten students and share a summer send off to our current kindergarten through 2nd grade students. Families are invited to drive through our Welcome to Reed & Summer Send Off parades in your family car. Students can give a wave or shout out to teachers and staff, who will be standing along the sidewalk. Please enter at Ned's Way and proceed along Kleinert Way to Lyford Drive, as you would for carline.

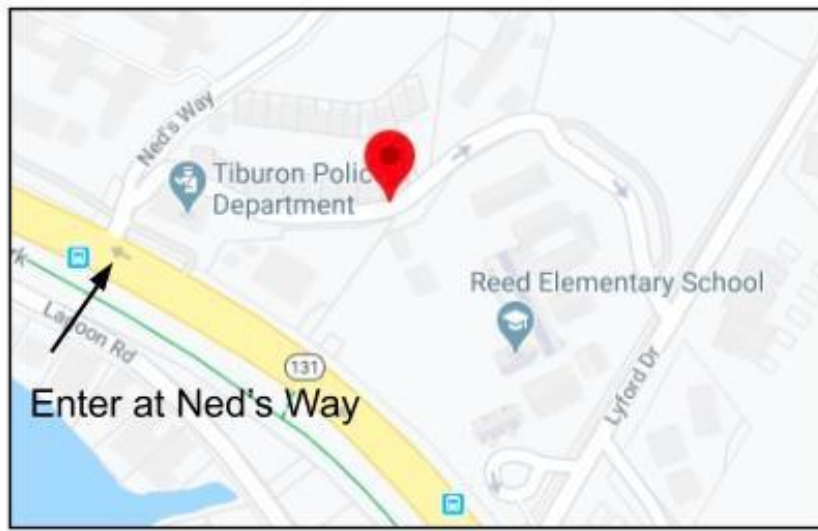

**To ensure the safety of all our community members, please participate from your car. We ask that families do not walk or bike through the parade.*

10:00-10:30am Incoming Kindergarten Students and Family Welcome!

Incoming kindergarten students will have a chance to wave to their new school community. Please pile up the family car and drive through the **Welcome to Reed School** parade.

10:30-11:15am Summer Send Off to our Kindergarten through 2nd Grade Students

All current students and families are invited to drive through our Summer Send Off Parade. I know I speak for Reed staff and teachers when I say how excited we are to share a summer send off to all our students and wish good luck at Bel Aire to our 2nd grade.

Warmly,
Mary Niesyn
