

Reed News

May 15, 2020

Dear Reed Families and Caregivers,

Happy Friday to everyone! Once again I wish everyone a relaxing weekend with time to enjoy small moments of togetherness.

Kindergarten Registration

Just an ongoing reminder that If you haven't yet registered your child for kindergarten or you know any friends or neighbors who have not yet registered their child, please let them know they can reach out to Juli at jtantum@reedschools.org. Juli is available to answer questions as well as provide you the registration link.

Another Request for Library Books & Book Bags

Thank you to everyone who was able to swing by the front circle and drop off library books this week. Ms. Smith has been busy re-shelving books and readying the library for fall. If you were not able to come by last week, please swing by the front circle either Tuesday or Thursday next week between 11:00am-noon. We would like to have all library books returned by Thursday, May 28th. Thank you!

Lost & Found

Our Lost and Found cart will be accessible each Tuesday & Thursday between 11:00am-noon throughout the month of May. Please stop by and pick up any items your child may have left behind. Remaining items will be donated after May 31.

Student Work & Belongings

Classroom teachers have begun gathering student work that was completed throughout the year. Your child's teacher will reach out to you when they are ready to share days and times for picking up your child's work.

A Fond Farewell to Two Beloved Teachers

It is with a heavy heart tempered by the warmest of wishes that I announce the retirement of two of our Reed teachers. Mrs. Gillespie and Mr. Modlin will be retiring at the close of this school year. I know I speak for the entire Reed Staff when I express our **immeasurable gratitude** for all that these two extraordinary educators have given to students, families, and colleagues. They have inspired us. They have coached us. They have taught us. While it is impossible to express how deeply they will be missed, we take comfort in knowing that their legacy and contributions to Reed School will have enduring effects.

Mrs. Gillespie has dedicated 43 years to teaching and inspiring young children and has touched the hearts of nearly 1000 students. We are so lucky that Mrs. Gillespie chose to spend the last 16 years of her career at Reed School.

Mr. Modlin has dedicated 30 years to teaching students of all ages-kindergarten through University. We are grateful that he chose to spend the last 9 years at Reed School.

Please help me wish the happiest of days to come to Mrs. Gillespie & Mr. Modlin.

Warmly,
