### Reed School's Bowling Alley!

Mr. Kaiser is teaching Reed students bowling during PE for the next three weeks. Students will be learning how to keep score, so they'll also improve their math skills. This is a great indoor activity on rainy days.

We're so lucky to have a carpeted 8-lane bowling alley, thanks to the Foundation!

### Lunches

Please remember to send your child to school with a nutritious snack and lunch. We do not have extra lunches. If you order Choicelunch, please confirm your orders through December and be sure you have ordered for January when students return on January 7.

### Improving Attendance

We are striving to improve the attendance of our students. Each minute of the school day provides opportunities for learning and social development, and it can become noticeable when students miss time. The state monitors our attendance and requires us to report chronic absenteeism. *Please help your child establish good habits at a young age and schedule vacations during non-school days.*

### Lost & Found

Reminder to please stop by the Lost & Found cart to check for your child's belongings. Everything will be donated over the winter break.

The **2nd Grade Library Club** participated in a "Book Tasting" where they sampled some of their favorite authors. They created "menus" made out of book reviews to recommend books to fellow Reed students. The menus will be displayed on library bookshelves near the corresponding authors' books.

### Parent Ed Follow-Up - Additional Viewing Opportunity for "Angst: Raising Awareness Around Anxiety"

Thank you to everyone who was able to attend the special screening of "Angst: Raising Awareness Around Anxiety" and the Q&A with the film's producer Karin Gornick and Dr. Gold. It was an eye-opening glimpse into ways to open the conversation surrounding the anxieties facing today's youth.

If you were unable to attend the event, ***the RUSD PTA has arranged for an exclusive opportunity for PTA member families to view the film in their own home at a reduced rate.***

Check out the RUSD PTA Parent Ed webpage (<https://www.reedschools.org/Page/170>) for more information. Please note that if students view the film, it is highly recommended that they do so along with a parent, adult, or other professional.
