2018 REED SCHOOL PARENT WORKSHOPS!

Focusing on **Child Development**

Please join us for an interactive conversation to learn more about your child's development and what you can expect this year in school. Topics discussed will include your child's cognitive, physical and social emotional development, and typical challenges that your child might encounter this school year. We encourage parents to bring questions to help guide the conversation.

The talk will be facilitated by Reed school psychologist Dr. Maya Van Putten and principal Dr. Mary Niesyn, and a Reed teacher at each grade level, who will also lead the group in a special Kimochis lesson.

Foundation News

PLEDGE DAY IS FRIDAY, NOVEMBER 9th

Families who pledge or donate on or before November 9th will automatically be entered into our Pledge Day Raffle!

The Foundation is proud to be celebrating its 40th year of supporting educational excellence! This year, we have, once again, made a \$2 million commitment to RUSD, \$1 million of which is due in January!

Our goal is 100% participation in the annual Family Giving Campaign!

With a continued decrease in the number of families living in the district, emphasis on family participation is critical. This year it will cost RUSD **\$1450 per student** to fund our teachers and programs.

Last week, you received a copy of the 2018-19 Foundation for Reed Schools brochure containing comprehensive information about our operations, how we raise funds for RUSD and how the district allocates those funds annually. Please have a look! We welcome any questions and comments you may have. If you have specific questions about your donation or are interested in participating in our Scholars' or John Reed Circles, please visit our [website](#) or contact the following individuals:

Scholars' Circle: [Sherrill Lybrook](#) or [Katrina Sent](#)
John Reed Circle: [Trish Jacob](#)

Thank you for supporting the Foundation and know that early donations and pledges save valuable volunteer time and reduce fundraising costs.
