**Scholastic Book Fair is coming to  
Reed and we have a new digital  
payment option!**

No cash on hand for the Book Fair? No problem!  
Simply set up your account to have funds immediately available to you or your  
child at the Book Fair.

Safe and secure, the account only keeps what you spend, not what you load!

How it Works:

**To get started: Visit <http://www.scholastic.com/bf/reedschool>**

**Reed Book Fair opens Monday!**

[Learn more about the Book Fair Here!](#)

Bring the whole family and support the Reed School Library. Don't miss the fun Family Night on Wednesday, March 27th from 4-7pm where you can shop all the latest Scholastic titles

in the MPR, take a night off from cooking with pizza, popcorn and cookies for sale (cash only for food), and kids can get their face painted! You can also help supply books for your classroom by shopping from the Teacher Wish Boxes. This year we are also participating in Scholastic's All For Books program to help raise money for books to help the Paradise School District rebuild their libraries! Simply donate through the boxes placed in classrooms or at the Book Fair.

After School Hours 2:30-4:00pm on:

Monday, March 25

Tuesday, March 26

Thursday, March 28

\*In addition: On March 25 - March 28, 2nd Grade students will be able to shop the Book Fair during their lunch recess. Look out for more information to come on [Scholastic's new eWallet](#) to make this easy.

### **UPCOMING PARENT ED EVENT**

#### **TECHTALKS**

**DATE: WEDNESDAY, APRIL 24TH FROM 7 - 8:30 P.M.**

**LOCATION: BEL AIRE LIBRARY**

Does managing your child's screen time and technology have you feeling anxious, stressed out, or full of guilt? Has this issue become a power struggle in your house? You are not alone! Navigating this digital world is overwhelming and confusing. Please join fellow parent, founder of TechTalks, and former first lady of San Francisco, Liz Farrell, in an interactive

discussion on everything tech. The evening will focus on tips, strategies, and best practices for managing the challenges of today's digital world.
