Teaming with our Local Community

A HUGE thank you goes out to team Woodlands and several members of our Reed PTA and Reed community for revitalizing our Reed School garden. Phase one included completely clearing out the garden readying it for new soil, gopher proofing, and irrigation. A future collaboration between team Woodlands and our entire 2nd grade team is in the planning process. More to come!

The SF Opera Guild: Sing-a-Story Comes to Reed School

Thanks to the generous support of our Reed PTA, **every** student got to participate in a creating and performing an opera in their classroom. Using a magic bag full of props and costumes, kindergarten students performed *Hansel and Gretel*; 1st grade performed *The Magic Flute*; and 2nd grade performed *La Cenerentola*.

Community Time-Every Friday!

Friday afternoons continue to be special, as Reed School gathers for our weekly Community Time. We celebrate school events, birthdays, PAW cards, cultural holidays, and the incredible learning happening throughout the school. All K/1/2 classes take turns sharing and presenting concepts they are learning in class, like a poem about the water cycle or a song that practices skip counting by 4s. Ms. Balfe leads the school in thoughtfully selected songs that reinforce and enhance themes, while Mr. Kaiser often joins her on the guitar. This past trimester Señora Morphy also led the whole school in some super fun and interactive Spanish activities! Beyond building our community, our goal each week is to blend mindfulness practices, Kimochis keys to communication, and concepts of inclusion and diversity through stories and songs. Students end the week on a high note and with smiles on their faces!
