

RUSD Headline News Wednesday, January 12, 2022

Dear RUSD Community,

There are many great things happening in RUSD. Please read below for updates from me, our supportive Foundation, and the incredible PTA.

- **Antigen tests available** - antigen tests are available for staff and students as needed to follow public health procedures.
- **Data around active case numbers** - As of today, we have 11 staff members with active cases which is about 7% of the staff members. We also have 46 active student cases which equates to about 5% of students.
- **Kindergarten Registration** - If you have an incoming Kindergartener for the 2022-2023 school year (must be 5 years old by September 1, 2022), please plan to complete the [online registration](#) beginning January 25. Early registration is important so that we can plan for staffing and classes. The official registration link will be activated the morning of January 25.
- **Discussions are Starting about Transitional Kindergarten for 2022-23** - The state of California is announcing a commitment for each school district in California to offer Transitional Kindergarten for students that turn 5 between September 2nd and February 2nd for the 2022-23 school year. In addition, the state is talking about expanding this program to include all four year olds by 2025-26. We are beginning our own discussions and planning. More to come on this topic as the planning unfolds.
- **Strategic Planning Committee** - A big thanks goes out to a wide variety of stakeholders that participated in the Strategic Planning Committee. The group analyzed progress on our Strategic Plan, and also started the process of discussing the vision for the future. Thank you for your hard work and commitment to RUSD! We want to celebrate the great things we do here while also continuing to move forward!
- **Chat with the Superintendent** - Mark your calendars for February 1st from 11:30am - 12:30pm. I will look forward to chatting with everyone about important topics that relate to the students of RUSD. A Zoom link will be sent out as the date gets closer.

If you are interested in more detailed information, please see below:

Public Health COVID Reminders:

- Stay at home if you are experiencing symptoms.
- If a student or staff member tests positive, isolation begins as Day 0 on the date symptoms began (or on the date the test was taken if without symptoms).
- Students/staff can return to work/school on Day 6 with proof of a negative antigen or PCR test (antigen strongly recommended) if without fever for 24 hours without the use of medication and symptoms are resolving.
- If still with fever or test is positive on Day 5, continue to isolate until Day 7. Students/staff may test again.
- If negative and without fever on Day 7, may return to school/work on Day 8. If positive or still with fever, remain in isolation until Day 11.
- No test is required to return on Day 11 if without fever for 24 hours. Please do not test again on Day 10 or later.
- If unable to test again during isolation, students/staff can return on Day 11 if without fever for 24 hours without the use of medication.
- Here's a link to the Isolation and Quarantine Guidelines:

Town of Tiburon - Broadband Strategic Plan Community Survey is Open

Earlier this year, the Town Council authorized the Town to work with a consultant to develop a Broadband Strategic Plan for Tiburon. Once complete, the strategic plan will provide recommended funding and implementation strategies for Tiburon to expand broadband services by leveraging existing assets, deploying new infrastructure, and engaging strategic partnerships. The first step in developing the best strategic plan for Tiburon is to hear from you, the community, about your wants and needs for better internet service. The town's first effort to gather community feedback has launched in the form of an online survey. [The survey is open](#). Please take a few moments to take the survey - your participation will help develop a Broadband Strategic Plan that is beneficial for all and effective in bringing more digital equity to Tiburon. Thank you to those of you who have already taken the survey.

Warm regards,
Kimberly McGrath

Seeking 2022 PTA Nominating Committee Candidates!

The RUSD PTA is seeking PTA members to serve on the 2022 Nominating Committee for the PTA Executive Board. The committee will be composed of five members and one alternate with knowledge of all three school sites and their volunteer communities. (To determine which five candidates will serve on the committee and who will serve as an alternate, the names of those expressing an interest in serving on the committee will be voted upon by the PTA membership through a confidential online survey).

Meetings of the Nominating Committee will be held in February and March with the goal of delivering a final slate by late March. Open board positions to be filled: Reed Site Chair, Del Mar Site Chair, District Executive Vice President, Auditor & District Treasurer. Interested candidates: please contact Mickey Hubbell at mickeybruce7@gmail.com by January 20th.
