

## RUSD Important Information Thursday, February 4, 2021

### A Message from Superintendent, Dr. Nancy Lynch

Dear Parents and Guardians,

#### **Important Update:**

A second Del Mar student has tested positive for COVID-19. Families of students in the class have been notified and will begin their distance learning while in quarantine. There was no school transmission since the students were from different cohorts and contact tracing indicates outside of school gathering.

The new Tier 1 Decision Tree that was shared with you yesterday has been updated again. Please see the [newest version](#) that states that there should be no indoor gatherings and only up to 3 households may gather in an outdoor setting. I understand that these constant changes can be confusing for you as they are for us. Our Actionally daily screen questions adjust to reflect the continually changing guidance.

Thank you for your patience as we all work together to ensure we have the most up to date information possible.

Warm Regards,

Nancy Lynch, Ed.D.  
Superintendent
