Interest Survey**

Dear RUSD Community,

(TK) Transitional Kindergarten Interest Survey

The State of California has designed a multi-year phase-in model which will provide pre-kindergarten for all 4 year olds by the 2025-26 school year. To be eligible for the 2022-23 school year, students must turn 5 between September 2, 2022 and February 2, 2023. If you have a child that lives within our school boundaries that will turn 5 years old in that date range, please complete this [Interest Survey](#).

Please feel free to share this [Interest Survey link](#) with neighbors or friends in the community who may have children who qualify for TK.

To ensure that we have enough students to form a class, secure needed staffing and begin the planning process, we need to know approximate enrollment numbers. Thank you for completing the interest survey to help us determine the appropriate next steps.

Kind regards,

Kimberly McGrath
