

## RUSD Important Information Tuesday, February 9, 2021

### A Message from Superintendent, Dr. Nancy Lynch

Dear Parents and Guardians,

We were informed yesterday that two *additional* Del Mar students have tested positive for COVID-19 (totaling **four** students between two 8th grade cohorts in the past week). Families of students in the classes have been notified and will continue their distance learning while in quarantine. At this time, information indicates there was no transmission at school.

Information on COVID-19 as it relates to RUSD can be found [here](#) on our district website.

Thank you for your continued efforts as well all to maintain a safe and healthy school community.

Warm Regards,

Nancy Lynch, Ed.D.  
Superintendent
