Del Mar Parent Input for Principal Interviews

RUSD Parents,

As you have likely heard, Brian Lynch, current Principal of Del Mar, was selected to serve as the Director of Student Services. Those that know Mr. Lynch understand that he will be fantastic in this new role and we will all continue to benefit. I also want to understand and gather your input about the qualities that you think would be important to look for in the next Del Mar principal. Please provide your [input here](#) before May 25th as I will need some time to gather the information for the interview panel.

Thanks for your time,

Dr. Kimberly McGrath
Superintendent
Reed Union School District
