

RUSD Headline News Wednesday, June 2, 2021

Dear Parents and Guardians,

The countdown is on for that last day of school. As we're rounding the corner of one of the most challenging years, we can all say that working together has made our RUSD community much stronger and resilient as we've faced the unexpected. I have had the pleasure of working alongside our staff and community as we weathered the storm. It hasn't been easy at times, but everyone came together to ensure that we made this the best possible school year for our students.

Marin Advances to Yellow Tier 4 COVID-19 Status:

The numbers are improving in Marin County which means we are moving closer toward pre-pandemic normalcy. I've included the News Release from the County of Marin -- [Marin Advances to Yellow Tier 4 COVID-19 Status](#).

Marin County COVID-19 Safety - Decision Tree for Schools - Tier 4 | Yellow Effective June 2, 2021:

The [Yellow Tier Decision Tree](#) remains the same as the former Orange Tier Decision Tree. The great news is the daily Actionly questions will remain the same for the remainder of the school year.

Reminder--Care Solace:

If your child or someone in your family is struggling with emotional or mental health needs, please reach out to [Care Solace](#) to coordinate support and services that are the right fit for your needs.

Warmest regards,

Nancy Lynch, Ed.D.
Superintendent
Reed Union School District
