### School District Territory Transfer Information

---

RUSD Community,

I hope you're enjoying your summer. In my last communication, I informed you about a pending Territory Transfer petition that is being circulated among residents in East Corte Madera. This past Wednesday, on June 15<sup>th</sup>, the Marin County Office of Education (MCOE) hosted a Webinar describing the process required for a territory transfer to occur. If you are interested in more information, here is a link to the [Territory Transfer Webinar](#) and [Territory Transfer Presentation](#). I will stay in communication if the petition moves forward.

Warm regards,

Dr. Kimberly McGrath
