

**IMPORTANT INFORMATION**  
from  
**Superintendent Kimberly McGrath**  
**Monday, July 26, 2021**

Dear RUSD Parents and Guardians,

Tomorrow you will receive, via Actionaly, the Reed Union School District Annual Information Update. You will be given the opportunity to confirm your return and review and update student information for your child(ren). Some of your student information is pre-populated, so please make sure to check carefully for accuracy. Remember, you must complete this **mandated annual update** for each of your children attending school in the Reed Union School District.

This information is confidential and will not be shared. However, in the case of an emergency, natural disaster or family crisis, the District will not release your child(ren) to anyone not listed on their emergency contact list.

Please complete this form by **Thursday, August 12th**. Your child(ren) will not receive their fall class assignment until you have completed this annual update.

Be aware that even if you have just recently registered your child(ren), you will still receive this Annual Information Update so please check the information and complete the form.
