Dear RUSD Parents and Guardians,

Marin County Public Health Guided Site-Based Classroom Instruction

The Marin County School Guidelines were updated on August 4, 2021 for the 2021-2022 School Year. The [attached document](#) provides guidelines to Marin County Educational Institutions. You may also visit the Marin County Office of Education / Rethinking Schools website [here](#).

Marin County Public Health Update to Marin County School Leaders

Here is a [link to the video of the meeting](#) presented by Dr. Santora last week. As a reminder, we'll be starting our new school year as we ended the last school year, with masking both indoors and outdoors in our schools.

We will work together as a school community to follow the Marin County Public Health guidelines to ensure the safety of our students and staff.

Best regards,

Kimberly McGrath
Superintendent
