A Message from Superintendent, Dr. Nancy Lynch

Dear Parents and Guardians,

Student and Family Handbook for COVID-19

As we prepare for the reopening of our school campuses, I would like to take this time to remind you that if you haven't had an opportunity to review the Student & Family Handbook for COVID-19 Health & Safety, please add it to the top of your list. It's most important that we ensure that everyone is doing their part to make the transition to in-person classroom learning as safe as possible for our staff and students. The Student & Family Handbook for COVID-19 can be found on the homepage of your school website or the district homepage.

COVID-19 Testing

RUSD has again secured the services of PMH Laboratory, Inc. to provide COVID-19 for RUSD staff and the district community. The testing for COVID-19 will take place at all RUSD school campuses. The testing cost is covered via your health insurance. You must provide a copy of your insurance card (front and back).

You can receive either an antigen or live COVID-19 test. You can make an appointment for yourself and family members.

Currently, the calendar is set up to allow for one appointment per time slot. We will keep a close eye on the calendar and will adjust to allow for additional appointments per time slot if needed.

The calendar will only be open through September 25, 2020

Please click on the calendar links below to schedule an appointment time for COVID-19 testing on **September 30, 2020** at the site of your choice.

[Click Here to Schedule COVID-19 Testing – Del Mar Middle School](#)

[Click Here to Schedule COVID-19 Testing – Bel Aire School](#)

[Click Here to Schedule COVID-19 Testing – Reed School](#)

Once registered, the online scheduler will send reminders by email and text message 24 hours and 2 hours prior to your scheduled appointment.

Flu Shots

Don't forget to get your flu shot through your healthcare provider. Together we can do our part to make our school community safer and healthier for everyone.

Distance Learning

More information to come regarding the distance learning option available to interested families.

Warm regards,

Nancy Lynch, Ed.D.
Superintendent
