Tips for Protecting Yourself and Others This Holiday Season

Dear RUSD Community,

- 1) Public Health recommends that all out of state travelers (unvaccinated and vaccinated) be tested for COVID-19 the day before returning to school/work.
- 2) All out of state travelers should monitor daily for symptoms. If symptoms develop, stay home and get tested as soon as possible.
- 3) If anyone in your family tests positive, notify your school site as soon as possible. *You do not need to send negative test results to the school unless requested by our nurses.*
- 4) Remember [these helpful tips](#) to ensure a safer holiday season for you and your family.

Best wishes for a safe and Happy Thanksgiving,
Kimberly McGrath
