A Message from Superintendent, Dr. Nancy Lynch

Dear Parents and Guardians,

We are excited to begin the new school year on Monday, August 24th. Students will be welcomed into their virtual classroom with activities and lessons that will resemble a typical first day and week of school. These activities will include building community, setting norms and rules for their class, and starting lessons that meet their new grade level academic standards. Teachers will provide special attention to the social and emotional needs of students as they transition back into their learning environment.

I am looking forward to continuing my Superintendent Coffee Chat meetings with parents next week to discuss topics important to you. I have scheduled dedicated coffee chats per school, to accommodate discussion and focus attention on grade level specific topics, as well as District wide initiatives. Please see the following dates and times for my upcoming coffee chats. I hope you will be able to join me, yet if you are unable to attend, the meetings will be recorded.
