

Free Access to Digital Books Announcement from Superintendent, Kimberly McGrath Friday, December 10, 2021

RUSD Families,

California Department of Education (CDE) recently partnered with Renaissance to ensure that every California student can access thousands of engaging digital reading resources for free until the end of January by visiting the myON website at <https://www.myon.com/index.html>. This access is available for all California students who are not already reading on the platform with their own personalized accounts. With this shared account opportunity, every student can access unlimited free reading opportunities at home, at school, and in their community.

Any California student can benefit from 24-hour access to thousands of myON books in English and Spanish until January 31, 2022. Students can easily browse or search the digital library to find books to match their interests and grade level. There are also options for students to read books online or offline, even in areas with low-bandwidth environments.
