## From The Principal

Dear Del Mar Parents,

This school year will be like no other, yet I am excited for our students and staff to find new ways to build a positive school culture while maintaining our focus on academic excellence.

I know there are many questions regarding the changes Del Mar will be putting in place for the 2020-21 school year which are designed to meet the safety needs of all of our school community members. Detailed information regarding the start of school will be emailed home over the next week. I will be hosting virtual grade level parent meetings on Friday, August 14th and encourage you to attend. See information below for accessing those grade specific meetings below, through Zoom.

## **Orientation and More**

Each year Del Mar welcomes our 6th graders and new to the school 7th and 8th graders with open arms. This year will be no different in spirit, except it will be done a bit differently! Tentative plans are for virtual orientation sessions on August 19th and a drive-through iPad exchange/pickup/spirit day on August 20th. Stay tuned for details about our welcome events, which will be emailed to 6th graders and new 7th and 8th graders.

## **The Del Mar Office is Open!**
