June 5, 2020

Dear Reed Families and Caregivers,

It is hard to believe that we have come to the close of our 2019-2020 school year. I don't think I ever could have fathomed that we would be met with so many challenges, seemingly one following the other. From rolling black outs in the fall, to shelter in place, to distance learning, to widespread acts of racism and political unrest. And yet, as I reflect on this year, I remain grateful. I am grateful to the entire Reed School community as well as the broader RUSD community for your unwavering commitment to our children. I am grateful for your flexibility, your patience, your endurance, your understanding, your perseverance, and your grace. Thank you!

My sincere gratitude also goes out to each and every Reed student. We asked much of them this year and I could not be more proud of their response. Reed students demonstrated flexibility, perseverance, bravery, adaptability, kindness, optimism, and a "can do" attitude! If your child missed my Friday message on the RUSD at Home page, please share the link below.

Warmly,
Mary Niesyn
