Reed Raccoons,
Summer is almost here and it looks like you're already finding fun ways to stay cool in the warm weather, socially-distanced style. We're so proud of your resourcefulness and positive attitudes.

Speaking of proud, we're especially excited for our 2nd graders who are heading to Bel Aire School this fall, at the other end of Tiburon. All kinds of new things await: Gaga Ball! New buildings to sniff (that’s our publisher dreaming)! But your old friends from Reed remain the same. You’re ready to shed your Reed Raccoon coats and become Bel Aire Bears. We’re really thrilled for you, but we’re also going to miss you a lot. Be sure to keep in touch. Come back to visit us...we’re just down the road, you know.

Now, before you slide into summer, take a look at these photos...
We know our 2nd graders will make a splash at Bel Aire School. Wishing a happy, healthy summer to Reed students and families!
