

BEL AIRE NEWS

A FOND FAREWELL

Oh my... this is a tough note to write, so I'll make it short and try to avoid any awkward, emotional prattle.

All I really need to say is that I am honored to have served in each of my roles throughout the last decade in this remarkable district. I have connected with so many extraordinary people and will forever cherish the relationships I have made.

Every year, I try to absorb all of the bright excitement buzzing around me as we approach our final day of school - almost as if it will carry me through June and July after the campus empties. This year's end-of-year activities feel even more momentous, as I acknowledge they are my last at Bel Aire.

I leave this school fully intact with an abundance of love and talent and very capable hands. It has been a joy and an honor and quite a ride, and I look forward to hearing of continued successes and new levels of achievement!

Fondly,
Lexie Cala

6/11 MINIMUM DAY DISMISSAL TIMES

Please note the following dismissal times on the last day of school:

SAFE • 11:00 | KIND • 11:30 | FAIR • 12:00

As a reminder, there is no lunch on our final, minimum day.

SUMMER LEARNING OPPORTUNITIES

The optional activities (linked below) are provided to encourage RUSD students to stay academically engaged throughout the summer months. This document is intended for students who attended Bel Aire School for the 2020-2021 school year.

Teachers will be enjoying their summer break and will not be available via email, so please email RUSD's IT Department at help@reedschools.org for technical support.

BEL AIRE ELEMENTARY SCHOOL PTA

Thank You!

The RUSD PTA sends sincere thanks for your membership and support throughout the 2020-21 school year.

Wishing you an enjoyable summer and we look forward to seeing you in the fall.

REED SCHOOL * BEL AIRE SCHOOL * DEL MAR SCHOOL

SPECIAL THANKS TO VERY IMPORTANT MEMBERS OF OUR COMMUNITY

At a time when so much has been asked of parents, a dedicated group of RUSD parents added "fundraising" to their list of quarantining, zooming, homeschooling, working from home. The dedicated and selfless Foundation team of volunteers worked tirelessly for over ten months. They sent hundreds of emails asking for donations to our Family Giving Campaign. They called businesses asking for sponsorships and donations. They solicited auction items and ran a robust online auction. They managed our social media channels, created marketing collateral, coded a directory app, sold advertisements...the list goes on and on.

These volunteers invested a considerable amount of time when they were already managing the often stressful challenges of parenting during a world pandemic. **They did all of this on behalf of your children.** They are your neighbors, your friends, your community. To those who supported their volunteer work by donating to the campaign or participating in the auction, we sincerely thank you.

If you have not yet contributed, please show your appreciation for your fellow parent's work by considering a donation to our campaign. They have worked so hard for your kids to get us this far, but we are still short of our goal.

Thank you to our incredible volunteers! Your work has an impact on every child in our district. It takes a tremendous amount of work to raise \$2 million so that our schools can continue to fund programs and teachers not found in most public schools. You are our heroes!
