**Our Mission:** The San Francisco Boys Chorus exists to develop and encourage all boys with unchanged voices through music education, vocal training and performance experience at the highest standards. Since 1948, the Boys Chorus has provided trained boy singers to the San Francisco Opera, and offered performance opportunities throughout the world.

**Who Should Apply?** All boys aged 5-12: sign up online at [www.sfbc.org/auditions](http://www.sfbc.org/auditions). We will contact you to schedule an appointment. The audition is simple, informal and done in small groups. Boys in K or Pre-K do not need an audition. They will automatically be accepted into the Preparatory Chorus, an exploratory music class. No experience is required! All boys accepted into the chorus will be placed in an appropriate group based on their age and skill level.
