

A Message From Superintendent Dr. Nancy Lynch

Dear RUSD Families:

We are happy to announce Bel Aire School and Del Mar Middle School for being chosen by Educational Results Partnership (ERP) and the Campaign for Business and Education Excellence (CBEE) as 2015 California Honor Roll recipients! Reed School was not included since students do not take the California Smarter Balanced Assessment which was part of the criteria used to designate this award.

The California Honor Roll is part of a national effort known for its extensive and rigorous analysis of student achievement in public schools. Bel Aire and Del Mar Middle School stood above other schools in the state because of our success in students achieving at higher levels and beyond.

Our teachers and administrators work tirelessly to keep the focus on high expectations, student academic achievement and to continuously improve our practices.

We did not apply for this award (they found us!) and it is a great honor to have been chosen. We will be featured on the Honor Roll website and a banner has been designed for us to hang proudly at Bel Aire and Del Mar. A full list of the Honor Roll schools can be found at <http://edresults.org/HonorRoll/HonorRoll?State=CA>

Thanks to the hard work of the students and teachers at Bel Aire School and Del Mar Middle School for being recognized for their achievement.

Sincerely,

Nancy Lynch Ed.D.
Superintendent
